Environmental Determination

The City of Pomona, as lead agency, has conducted an environmental review on the proposed project per the California Environmental Quality Act (CEQA). Staff has determined that the proposed project meets the criteria for Exemption pursuant to Section 15182 of CEQA in that the proposed project is a residential project consisting of 289 dwelling units and is undertaken pursuant to and in conformity with the PCSP adopted in 2014. The proposed residential use and density was contemplated in the EIR certified for the PCSP EIR and was evaluated as part of that environmental analysis. Therefore, no further environmental review is required. The Development Services Director will consider these exemptions at the public hearing as part of this action on May 16, 2024.
