Capital Improvement Program Project Details

Project Title: Citywide - Centerline Monument Replacement

Project Description: This project will provide for thirty-nine (39) disturbed or destroyed street centerline monuments to be replaced throughout the City. Due to the lack of existing centerline tie sheets and boundary control an extensive boundary retracement of the street's centerlines will be required. A Record of Survey that details the re-establishment is mandatory per the requirements stated in Section 8762 of the Professional Land							Project Number: 428-2590-XXXXX-67946
