

Explanatory Note to Public Reviewers of the Proposed Moving to Work Supplement Fillable Form

The Moving to Work (MTW) Supplement collects information about policies implemented by MTW expansion agencies. MTW agencies use it to communicate their plans with residents and community stakeholders through required public comment processes, and HUD uses the information collected to monitor and evaluate the MTW demonstration program. MTW agencies will submit the MTW Supplement to HUD annually, and amend as needed. HUD plans to make the MTW Supplement into a fillable form so as to reduce respondent burden and make the information collected more useful to HUD. When the MTW Supplement is available through the fillable form, it will include skip patterns¹ that prompt the user to populate only the sections relevant to what they are currently implementing. It will also include screening questions that will ask which waivers and associated activities they are currently implementing, plan to implement in the upcoming year, or will be discontinued in the submission year. The MTW Agency will be able to print the information from the MTW Supplement in a reader-friendly format in order to inform the public of its plans for the upcoming year. The purposes of the MTW Supplement are two-fold: it reports to HUD what is happening at the local level in a way that the Department can monitor and evaluate; and, more importantly, it informs the public about what the agency is planning and gives the public the ability to provide comment.

The MTW Supplement asks for information about each of the MTW Waivers and associated activities that are made possible by the MTW Operations Notice, Safe Harbor Waivers and Agency-Specific Waivers, and a few other types of information. MTW agencies will fill in information/data through a fillable form and the information collected will be stored in a database so that it can be analyzed by HUD. The approved forms will be posted to the MTW website for viewing by the public. For instance, it will be simple to find out how many MTW agencies and which MTW agencies are implementing each type of activity. It will also simplify reporting for the MTW agency since information will carry over year-to-year in the fillable form so that information that does not change from year to year will be pre-populated, thereby reducing respondent burden.

This document lists the sections of the MTW Supplement and then presents the proposed questions to be included in the MTW Supplement for MTW agencies to answer annually. Throughout the online version, there will be a dropdown menu option that makes it clear as to which activities an agency is permitted to do within the safe harbors of the MTW Operations Notice, Appendix I, MTW Waivers.

Sections of the MTW Supplement:

- A. PHA Information
- B. Narrative
- C. MTW Waivers and Associated MTW Activities
- D. Safe Harbor Waivers
- E. Agency-Specific Waivers
- F. Public Housing Operating Subsidy Grant Reporting
- G. MTW Statutory Requirements
- H. Public Comments
- I. Evaluations
- J. MTW Certifications of Compliance

Information to be Collected for MTW Activities

There are many MTW activities, subject to limitations as outlined in the MTW Operations Notice, that an MTW agency may implement. Each MTW agency will likely only engage in a subset of these MTW activities. The MTW Supplement will first ask MTW agencies to identify which MTW activities they are proposing to implement and which of those MTW activities they are already implementing. MTW agencies will subsequently be asked to provide information only about the MTW activities they are proposing to implement or are already implementing. This feature will reduce respondent burden. MTW waivers have associated MTW activities. MTW agencies are also able to combine MTW activities into their own initiatives.

MTW agencies will be asked for specific information about each MTW activity they are proposing to implement or are already implementing. There are six types of questions that could be asked about each MTW activity. The exact mix of questions will depend partly upon the MTW activity and partly upon the requirements for that MTW activity listed in the MTW Operations Notice. The six types of questions are:

- (1) Core—questions applicable to most MTW activities
- (2) Custom—questions specific to an individual MTW activity
- (3) Safe Harbor Waiver—questions asked when the MTW activity requires a Safe Harbor Waiver
- (4) Hardship Policy—questions asked when the MTW Operations Notice requires a hardship policy for the MTW activity
- (5) Impact Analysis—questions asked when the MTW Operations Notice requires an impact analysis for the MTW activity

(6) Agency-Specific Waiver—questions asked when the MTW activity requires an Agency-Specific Waiver

¹ A skip pattern is a question or series of questions associated with a conditional response.

Questions

The questions are presented below by type, beginning with the core questions. In the final online version of the MTW Supplement, the relevant questions from each type will be asked together in relation to each MTW activity the MTW agency is proposing to implement or is already implementing. The final online version of the MTW Supplement will be set up to allow for different versions of the same MTW activity—for instance, a different minimum rent for the non-elderly/non-disabled than for the elderly/disabled. The final online version of the MTW Supplement will also be able to autofill items with information from previous years. This feature will reduce respondent burden.

Table 1, at the end of this document, lists the MTW activities and indicates which types of questions need to be asked about each one.

MTW Supplement to the Annual PHA Plan	U.S. Department of Housing and Urban Development Office of Public and Indian Housing	OMB No. 2577-0226 Expires: 03/31/2024
--	---	--

Purpose. The Moving to Work (MTW) Supplement to the Annual PHA Plan informs HUD, families served by the PHA, and members of the public, about the MTW Waivers and associated activities that the MTW agency seeks to implement in the coming Fiscal Year and updates the status of MTW activities that have been previously approved. It also provides information about Safe Harbor Waivers, Agency-Specific Waivers, compliance with MTW statutory requirements, and evaluations. The MTW Supplement does not replace the PHA Plan. MTW agencies must continue to submit the applicable PHA Plan. MTW agencies that are not required to submit annual PHA Plans under the Housing and Economic Recovery Act of 2008 (HERA) must submit the MTW Supplement annually, in addition to holding public hearings, obtaining board approval, and consulting with Resident Advisory Boards (RABs) and tenant associations, as applicable, on planned MTW activities.

Applicability. Form HUD-50075-MTW is to be completed annually by all MTW agencies brought onto the MTW Demonstration Program pursuant to Section 239 of the Fiscal Year 2016 Appropriations Act, P.L. 114-113 (2016 MTW Expansion Statute) or legacy MTW agencies² that chose to follow the requirements of the MTW Operations Notice.

Definitions. All terms used in this MTW Supplement are consistent with the definitions stated in the MTW Operations Notice, including:

- (1) **Local, Non-Traditional Activities (LNT)** – Those MTW activities that use MTW funding flexibility outside of the Housing Choice Voucher (HCV) and public housing programs established in Sections 8 and 9 of the U.S. Housing Act of 1937.
- (2) **Safe Harbors** – The additional parameters or requirements, beyond those specified in the MTW activity description itself found in the MTW Operations Notice, following each activity description, that the MTW agency must follow in implementing MTW activities.
- (3) **Substantially the Same Requirement** – A statutory MTW requirement that MTW agencies must continue to assist substantially the same total number of eligible low-income families as would have been served absent the MTW demonstration.

B.	Narrative.
B.1	<p>MTW Supplement Narrative.</p> <p>As an MTW Agency, the Pomona Housing Authority (PHA) will be given flexibility and authority to develop policies outside the limitations of certain HUD regulations and provisions. This will allow the PHA to achieve its mission and program goals at a higher level by leveraging the unique needs and concerns of the community and residents of Pomona. The PHA is a high performing housing authority that provides safe, decent and affordable housing to hundreds of Pomona residents through special programs serving families, individuals, senior citizens, Veterans, the disabled and homeless households. The PHA's mission is to improve the quality of life for our diverse community. The PHA provides financial assistance through the Housing Choice Voucher and Project-Based Voucher (also collectively known as the Section 8) Programs, and through the Housing and Urban Development Veteran Affairs Supportive Housing, Mainstream, Foster Youth Initiative Tenant Protection Voucher programs and Housing Stability Vouchers.</p> <p>The MTW Program will allow the PHA to combine resources permitting the use of HUD funds to better address local program priorities and needs. In addition, the PHA will streamline its business processes to operate more cost effectively and efficiently by implementing innovative business solutions, redesign processes, and amend policies that will reduce administrative complexity, costs and staff time. The PHA plans to consider and assess a range of potential options in subsequent phases of MTW, with a goal of structuring its programs in ways that will assist families achieve financial self-sufficiency over time. The following strategies will help improve the quality of life of program participants: work in partnership with local community organizations to develop a comprehensive approach to ending homelessness and promote self-sufficiency and assist in the implementation of the City of</p>

Pomona's "A Way Home: Community Solutions for Pomona's Homeless Strategic Plan" by creating a program to assist the homeless and chronically homeless to achieve self-sufficiency.

The PHA will continue to implement activities proposed in Fiscal Year 2026-2027. The PHA has experienced challenges in implementing various activities due to delays and changes to the PHA's software system. The PHA decided not to implement the activities since the software vendor recommended to delay implementation until the Housing Information Portal (HIP) becomes available. On January 3, 2023, HUD issued guidance and provided an update on the HIP for MTW Agencies. Based on the guidance, the PHA will continue to delay implementation of Activities: 1(n) - Utility Reimbursement and 1(u) – Standard Deductions since fields on the 50058 need to be modified and until the HIP System is ready. The PHA will continue to follow normal protocols in submitting 50058s on the IMS/PIC until the new HIP is ready.

² Legacy MTW Agencies are agencies that were designated as MTW as of December 15, 2015

What is the income basis for calculating Total Tenant Payment?	<input type="checkbox"/> This activity uses adjusted annual income as defined in 24 CFR 5.611 (as required for non-MTW PHAs) <input type="checkbox"/> This activity uses a different definition of income because we are using the following MTW waivers (check all that apply) <input type="checkbox"/> 1.r. and/or 1.s. “elimination of deductions” <input type="checkbox"/> 1.t. and/or 1.u. “standard deductions” <input type="checkbox"/> 1.v. and/or 1.w “alternative inclusions and exclusions”
1.i., 1.j. - Alternative Utility Allowance (PH & HCV)	Input options and instructions
Please describe the alternative method of calculating the utility allowances. Please explain how the method of calculating utility allowances is different from the standard method and what objective the MTW agency aims to achieve by using this alternative method.	<p>The PHA has established one streamlined utility allowance for all HCV units based upon bedroom size and types of utilities paid by the participant in the City of Pomona. The goal of this activity is to reduce the administrative burden of calculating multiple utility allowances based on unit type and streamline recertification-processing time. The PHA will continue to review its utility allowance schedule each year and revise it if there has been a 10% change from the prior year. The Pomona Housing Authority will be implementing waiver [1j – Alternative Utility Allowance (HCV)] within the safe harbor limits established in the MTW Operations Notice published in the Federal Register on August 28, 2020.</p> <p>Currently, the PHA annually reviews and periodically revises a Utility Allowance Schedule, which represents the reasonable costs for utilities as part of the tenant’s lease. The utility allowance is based on utility surveys and analysis of the structure type, bedroom size, appliances provided by tenant, and type of appliances (gas/electric). The simplified schedule is based on the analysis of data collected from the PHA’s existing HCV portfolio including the most common structure and utility types. This new utility allowance schedule will be implemented upon the biennial certification or change of unit. The PHA proposes a simplified schedule to reduce administrative costs and reduce errors associated with the traditional method of applying Utility Allowances. The simplified utility allowance schedule is also anticipated to benefit property owners who will have a more accurate understanding of the total gross rent to be applied to their properties. This schedule will be applied to the lesser of: the actual size of the unit or the size of the voucher. The PHA will continue to use current market consumption data to determine when adjustments to the simplified schedule are needed (upon change of more than 10% in rates).</p>

1.k., 1.l. - Fixed Rents/Subsidy (PH & HCV)	Input options and instructions
Describe the method used to establish the fixed rents.

One-bedroom	\$	\$
Two-bedroom	\$	\$
Three-bedroom	\$	\$
Four or more bedrooms	\$	\$

1.m., 1.n. - Utility Reimbursements (PH & HCV)	Input options and instructions
The PHA will eliminate the utility reimbursement payments in the HCV program. Families will continue to receive a utility allowance but will not receive additional monies if the utility allowance is greater than the total tenant payment. Eliminating these reimbursements is a cost savings to the PHA which can assist an additional HCV family from the waiting list and reduce the administrative burdens of lost checks, canceled checks and fraud. The Pomona Housing Authority will be implementing waiver [1n - Utility Reimbursements (HCV)] within the safe harbor limits established in the MTW Operations Notice published in the Federal Register on August 28, 2020.	[No custom questions for this activity.]

1.o. - Initial Rent Burden (HCV)	Input options and instructions
If the MTW agency plans to implement a new maximum income-based rent percentage (higher than 40% of adjusted monthly income), what is that maximum?	The PHA will be waiving the maximum family share at initial occupancy of 40% of the family’s monthly income to 60%. Increasing the family share percentage will increase housing choice for families especially in higher cost opportunity areas. The Pomona Housing Authority will be implementing waiver [1o – Initial Rent Burden] within the safe harbor limits established in the MTW Operations Notice published in the Federal Register on August 28, 2020.

The PHA will be implementing waiver [1s – Elimination of Deductions] within the safe harbor limits established in the MTW Operations Notice published in the Federal Register on August 28, 2020.</u>
1.t., 1.u. - Standard Deductions (PH & HCV)	Input options and instructions

Please explain the payment standards by ZIP code or “grouped” ZIP codes.	The Pomona Housing Authority is authorized to adopt and implement any reasonable policy to establish payment standards that differ from the currently mandated program requirements in the 1937 Act and its implementing regulations. The Pomona Housing Authority will establish payment standards between 80% and 150% of the HUD published Fair Market established in the MTW Operations Notice published in the Federal Register on August 28, 2020. - At the next regularly scheduled recertification or move - At the time a rent increase is approved for the unit - At any other time if the PHA determines that the family is experiencing a rent burden. In the unlikely event that the PHA payment standards are reduced, the family’s payment standard will not be reduced if they remain in the unit unless they have experienced a change in family composition that results in a lower voucher/payment standard size. [2b - Payment Standards] within the safe harbor limits established in the MTW Operations Notice published in the Federal Register on August 28, 2020. The City of Pomona has five (5) zip codes.

2.b. - Payment Standards – Fair Market Rents (HCV)	Input options and instructions
Please explain the payment standards by FMR.	
2.c. - Rent Reasonableness – Process (HCV)	
Describe the method used to determine rent reasonableness and the motivations for using a method different from the standard method.	
2.d. - Rent Reasonableness – Third-Party Requirement (HCV)	Input options and instructions
Please explain or upload a description of the quality assurance method.	The PHA will be implementing Waiver 2.d – Under this waiver, the PHA may determine rent reasonableness and assist families in negotiating rent with the PHA when it is the property owner. This flexibility helps streamline operations and reduce administrative burden, while maintaining compliance with all applicable federal requirements, including subsidy layering reviews. To ensure quality assurance, a PHA supervisor or other qualified person will conduct an audit on a sample size to ensure that a market analysis is conducted and completed accurately and objectively. The PHA will operate within the safe harbor limits established in the MTW Operations Notice published in the Federal Register on August 28, 2020.
Please explain or upload a description of the rent reasonableness determination method.	The PHA uses a third-party company AffordableHousing.com (formerly GoSection8) to generate rent comparables for the HCV and PBV programs. The AffordableHousing.com software generates at least 3 unassisted rent comparables for the subject unit, matching the unit characteristics and making adjustments based on unit-specific factors, similar to the approach used by property appraisers, and determines if the rent requested by the owner is reasonable. A PHA staff member then reviews rent reasonableness regulations to confirm that they are comparable to the subject unit.

C.3	Reexaminations - Currently Implementing
------------	--

3.a., 3.b. - Alternative Reexamination Schedule for Households (PH & HCV)	Input options and instructions
What is the recertification schedule?	(Check one) Once every two years Once every three years <input checked="" type="checkbox"/> Other [If checked]: Please describe. Every two years for all HCV families who have at least \$1,200 per year in annual income. Any families reporting less than \$1,200 per year in annual income will remain on an annual recertification cycle. The PHA will conduct a reexamination once every three years (triennial) for all families who are elderly (62+) in which at least 90% of income is from a fixed source.

The goal of this activity is to further self-sufficiency of residents and reduce the burden of reporting to the PHA when the family experiences an increase in household income.</p> <p>The PHA is proposing a triennial recertification schedule for all elderly-only households on a fixed income. An elderly-only fixed-income family is one that has no members under the age of 62 and has at least 90% of its income from fixed sources.  The MTW demonstration program is intended to foster innovation and HUD encourages MTW agencies, in consultation with their residents and stakeholders, to be creative in their approach to solving affordable housing issues facing their local communities. For this reason, flexibilities beyond those provided for in Appendix I may be needed. Agency-Specific Waivers may be requested if an MTW agency wishes to implement additional activities, or waive a statutory and/or regulatory requirement not included in Appendix I.

In order to pursue an Agency-Specific Waiver, an MTW agency must include an Agency-Specific Waiver request, an impact analysis, and a hardship policy (as applicable), and respond to all of the mandatory core questions as applicable.

For each Agency-Specific Waiver(s) request, please upload supporting documentation, that includes: a) a full description of the activity, including what the agency is proposing to waive (i.e., statute, regulation, and/or Operations Notice), b) how the initiative achieves one or more of the 3 MTW statutory objectives, c) a description of which population groups and household types that will be impacted by this activity, d) any cost implications associated with the activity, e) an implementation timeline for the initiative, f) an impact analysis, g) a description of the hardship policy for the initiative, and h) a copy of all comments

Instructions for Preparation of Form HUD-50075-MTW, MTW Supplement to the Annual PHA Plan

The instructions below detail how to complete the MTW Supplement. These instructions will not appear in the fillable form.

Note about file uploads: PHAs can upload PDF or Word documents. Files should be named with the following naming convention: PHA code, Fiscal Year (FY), and short name for the policy/item. Some examples would be CA789FY21RentHardship for a rent hardship policy, CA789FY21ImpactAnalysis for an impact analysis that is applicable to multiple MTW activities, and CA789FY21MTWCertofCompliance for the MTW Certifications of Compliance.

A. PHA Information. All PHAs must complete this section.

A.1 Include the full **PHA Name, PHA Code, PHA Fiscal Year Beginning (MM/DD/YYYY), MTW Cohort Number, and MTW Supplement Submission Type.**

B. Narrative. All MTW agencies must complete this section.

B.1 MTW Supplement Narrative.

Provide a written description of how the MTW agency seeks to address the three statutory objectives during the coming year. Those three statutory objectives are: (1) to reduce cost and achieve greater cost effectiveness in federal expenditures; (2) to give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational or other programs that assist in obtaining employment and becoming economically self-sufficient; (3) and to increase housing choices for low-income families.

The narrative provides the PHA an opportunity to explain to the public, and the families that it serves, its MTW plans and goals for the coming Fiscal Year.

C. MTW Waivers.

Core Questions. All MTW activities found in Section C require responses to the same common questions.

Narrative. Describe the activity, the agency's goals for this activity, and, if applicable, how this activity contributes to a larger initiative.

Statutory Objective. Indicate which of the MTW statutory objectives this activity serves; each activity may serve one or more objectives. The three statutory objectives are housing choice, self-sufficiency, and cost effectiveness. Check all that apply.

Cost Implications. State the cost implications of each activity. Choose the best description of the cost implications based on what is known at the time of completing the MTW Supplement. Indicate which categories best describe the cost implications of the activity from among the following choices: neutral (no cost implications), increased revenue, decreased revenue, increased costs, decreased costs. Check all that apply. For instance, an activity may increase revenue, increase costs, and therefore be cost neutral. Alternatively, an activity may simply increase costs.

Different versions. Indicate whether there will be different policies for different household statuses, family types, or locations (public housing developments or HCV properties). If [Yes] is checked, questions will pop up which allow the MTW agency to explain which household statuses, family types, and/or locations will be affected. If [No] is checked, the respondent will move on to the next question. The agency will be able to indicate if a policy is different for one or more of these areas.

For example, if an MTW agency chooses to apply a Tenant Rent Policy to only non-elderly, non-disabled families, and not to the elderly or disabled, then it would check [Yes] and then receive the subsequent items that allow the agency to indicate what types of households and family types are affected by the activity.

Household status. MTW Agency's must indicate what type of household to which the activity applies. Household types means the following types: new admissions only, currently assisted households only, or new admissions and currently assisted households.

Family Types: Family types mean the following: non-elderly, non-disabled families; elderly families; disabled families; or other specifically defined target populations.

Location. The MTW agency indicates if the activity is or will be implemented at all or only at certain locations. Depending on if responses are being provided for a public housing (PH) or HCV activity, the agency will either see questions applicable to PH or HCV. For PH, the questions will be about developments and for HCV the questions will be about tenant-based units and properties with project-based vouchers. The agency must check the applicable response for all or specific. If the response is for specific locations, then the agency will be asked to provide the details.

PHAs may develop one comprehensive hardship policy to cover all MTW activities requiring a hardship policy, which would only need to be uploaded once.

Safe Harbor Waiver. PHAs must indicate if a Safe Harbor Waiver is needed to implement this policy as described. If yes, then the MTW Agency is asked the following: what is the status of the Safe Harbor Waiver Request? PHAs must indicate if the waiver request is being submitted for review with this submission of the MTW Supplement (see Section D), or if the waiver was previously approved. If the latter is checked (the waiver was previously approved), then the PHA must describe the extent to which the Safe Harbor Waiver is supporting the PHA's goal in implementing this activity.

Hardship policy. The MTW Operations Notice requires agencies to adopt written policies for determining when a requirement or provision of the MTW activity constitutes a financial or other hardship for the family. If applicable for the activity, please upload the hardship policy associated with this activity. Hardship policies may be applicable to multiple MTW Activities. Only upload Hardship Policy once if said Hardship Policy applies to multiple Activities. Reference Table 1 for specificity on when a hardship policy is required.

Modification of hardship policy. PHAs must indicate if the hardship policy has been modified since the last submission of the MTW Supplement. PHAs must check yes or no. If yes, then the respondent is asked: why has the MTW agency modified the hardship policy? The PHA will use the provided text box to describe the modifications.

Number of hardship requests. PHAs must indicate the number of hardship requests that have been received for each applicable activity in the most recently completed PHA fiscal year.

PHAs are legally required to provide reasonable accommodations to their MTW requirements, provisions, or policies, or any component of those requirements, provisions, and policies, following the same standards and processes that generally apply to reasonable accommodations.

Impact analysis. The MTW Operations Notice requires agencies to analyze and put into writing the various impacts of the MTW activity if it is required for the MTW activity. Please upload the impact analysis that has been prepared related to this activity, if applicable. An impact analysis may be applicable to multiple MTW Activities. Only upload Impact Analysis once if said Impact Analysis applies to multiple Activities. Reference Table 1 for specificity on when an impact analysis is required.

Description of accomplishments or changes in implementation. Provide a description, based on the Fiscal Year goals as listed in the activity's previous Fiscal Year's narrative, about what has been accomplished or changed during the implementation.

Discontinuation of activity. If the PHA selects "Will be Discontinued in the Submission Year" or "Was Discontinued in a previous Submission Year" in the screener, a question will be displayed that asks for an explanation as to why the activity was discontinued or will be discontinued. The PHA should explain why the activity was or will be discontinued. If the activity has already been discontinued, the PHA should include the final outcomes and lessons learned. If the activity was discontinued in a previous submission year, the PHA should state which year the activity was discontinued in.

Custom Questions. Some MTW activities require responses to custom questions that are specific only to that activity. Some MTW activities contain no custom questions. Respondents must answer each of the custom questions, which will only appear if the PHA is opting to implement the MTW activity in the coming Fiscal Year.

Information for how to answer each custom question is included in the 'input options and instructions' column for each MTW activity.

D. Safe Harbor Waivers.

D.1: Safe Harbor Waivers seeking HUD Approval. The MTW Operations Notice describes a simplified process for MTW agencies to implement MTW activities outside of the safe harbors described in Appendix I For each Safe Harbor Waiver request, a document that includes the following must be provided: a) the name and activity number of the MTW Waiver for which the PHA is seeking to expand the safe harbor, b) the specific safe harbor and its implementing regulation, c) the proposed policy the PHA wishes to implement via this waiver, d) a description of the local issue and why such an expansion is needed to implement the activity, e) an impact analysis, f) a description of the hardship policy for the initiative, and g) a copy of all comments received at the public hearing a copy of all comments received at the public hearing along with the MTW agency's description of how the comments were considered, as a required attachment to the MTW Supplement.

E. Agency-Specific Waivers.

E.1: Agency-Specific Waivers Submitted for HUD Approval. The MTW demonstration program is intended to foster innovation and HUD encourages MTW agencies, in consultation with their residents and stakeholders, to be creative in their approach to solving affordable housing issues facing their local communities. For this reason, flexibilities beyond those provided for in Appendix I may be needed. Agency-Specific Waivers may be requested if an MTW agency wishes to implement additional activities, waive a statutory or regulatory requirement not included in Appendix I.

In order to pursue an Agency-Specific Waiver, an MTW agency must include an Agency-Specific Waiver request, an impact analysis, and a hardship policy (as applicable).

For each Agency-Specific Waiver(s) request, please provide a title and upload supporting documentation, that includes: a) a full description of the activity, including what the agency is proposing to waive (i.e., statute, regulation, and/or Operations Notice), b) how the initiative achieves one or more of the 3 MTW statutory objectives, c) a description of which population groups and household types that will be impacted by this activity, d) any cost implications associated with the activity, e) an implementation timeline for the initiative; f) an impact analysis, g) a description of the hardship policy for the initiative, and h) a copy of all comments received at the public hearing along with the MTW agency's description of how the comments were considered, as a required attachment to the MTW Supplement.

A PHA planning to pursue an Agency-Specific Waiver is encouraged to read Section 4.c. of the MTW Operations Notice prior to filling out this section of the MTW Supplement.

E.2: Agency-Specific Waiver(s) for which HUD Approval has been Received. For each previously approved Agency-Specific Waiver(s), a set of questions will populate. Does the agency have any approved agency-specific waivers? If yes, the title previously provided in Section E.1 will prepopulate and ask if there has been a change in how the Agency-Specific Waivers is being implemented from when it was originally approved or if it has been discontinued. For changes, the PHA will need to provide a description of what has changed. If it has been discontinued, the PHA will need to provide a description about the final outcomes and lessons learned, as well as whether a final impact analysis was prepared at the time of discontinuation if one was previously required.

F. Public Housing Operating Subsidy Grant Reporting

F.1: Public Housing Operating Subsidy Grant Reporting. PHAs must fill out this table if it receives public housing Operating Subsidy grant funding from HUD. Only public housing Operating Subsidy grant funding awarded in the year the PHA is designated an MTW agency and beyond must be reported in this table. Additional rows must be added for Federal Fiscal Years beyond 2023, as applicable.

The federal account closing law applies to time-limited funds appropriated by Congress during the annual appropriations act process. For the public housing Operating Fund, PHAs must expend federal funds no more than five (5) years after the period of availability for obligation expires. After this 5-year period, the account closes, and the funds are no longer available for any purpose. For public housing Operating Subsidy grant funding, the period of availability for obligation ends at the end of the fourth Federal Fiscal Year (i.e., the period of availability for obligation of FY 2021 funds ends 9/30/2024). Pursuant to the account closing law, PHAs must expend all Operating Subsidy grant amounts within five years of this date (i.e., for FY 2021 funds, the account will close, and funds will no longer be legally available for any purpose on 9/30/2029).

G. MTW Statutory Requirements.

General. HUD will verify compliance with the statutory requirements G.1, G.3, and G.4 for public housing units and HCV units through HUD systems. In addition, agencies are to report compliance with the same requirements for Local, Non-Traditional

Households in the tables provided in this section. Once HUD systems are capable of capturing this data then this will no longer need to be reported through the MTW Supplement.

G.1: 75% Very Low Income. All PHAs must fill out the table in G.1. The MTW PHA must provide data for the actual families housed upon admission during the PHA's most recently completed Fiscal Year for its local, non-traditional program households. For instance, a PHA submitting its MTW Supplement to the FY2020 Annual PHA Plan should include its Fiscal Year (FY) 2018 local, non-traditional data since this is the most recently completed Fiscal year. Only local, non-traditional new admissions should be included in the table. If a PHA houses no local, non-traditional households, then zeros must be inputted into the table.

HUD will verify compliance with the statutory requirement that at least 75% of the households assisted by the MTW PHA are very low income for public housing and HCV programs through existing HUD systems.

G.2: Establishing Reasonable Rent Policy. All PHAs must fill out section G.2. Per the MTW Operations Notice, all activities falling under the Tenant Rent Policies category (Section C.1 of the MTW Supplement) or the Alternative Reexamination Schedule category (Section C.3 of the MTW Supplement), detailed in the Appendix of the MTW Operations Notice, meet the definition of a reasonable rent policy.

MTW agencies are reminded that the Rent Determination section of the PHA Plan should be reflective of MTW reasonable rent policies where applicable. From the PHA Plan: "Rent Determination. A statement of the policies of the PHA governing rents charged for public housing and HCV dwelling units, including applicable public housing flat rents, minimum rents, voucher family rent contributions, and payment standard policies. ([24 CFR §903.7\(d\)](#)).

G.3: Substantially the Same (STS). All PHAs must fill out section G.3. The number of local, non-traditional families served must be provided by month for the most recently completed Calendar Year. If a PHA houses no local, non-traditional families, then zeros must be inputted into the table. The additional information on Local, Non-Traditional development units must be provided for each development.

HUD will verify compliance with the STS statutory requirement for public housing and HCV programs through existing HUD systems.

G.4: Comparable Mix (by Family Size). All PHAs must fill out section G.4. In order to demonstrate that the statutory objective of "maintaining a comparable mix of families (by family size) are served, as would have been provided had the amounts not been used under the demonstration" is being achieved, the PHA will provide family size (i.e., not bedroom size) data in the table for the most recently completed Fiscal Year. For instance, a PHA submitting its MTW Supplement to the FY2021 Annual PHA Plan should include its FY 2019 local, non-traditional data since this is the most recently completed Fiscal Year. If a PHA houses no local, non-traditional household, then zeros must be inputted into the table.

HUD will verify compliance with the comparable mix statutory requirement for public housing and HCV programs through existing HUD systems.

G.5: Housing Quality Standards. PHAs are not required to enter any information into section G.5. This statutory requirement is certified to in the MTW Certifications of Compliance form for the HCV and local, non-traditional housing programs. The public housing program is monitored by HUD through the Public Housing Assessment System (PHAS) Physical Subsystem, or successor, despite the MTW PHA being exempt from an overall designation.

H. Public Comments.

H.1: Public Comments. All PHAs are required, per the Annual PHA Plan regulations, to go through a public process prior to submitting the MTW Supplement to HUD. The MTW agency must consider, in consultation with the Resident Advisory Board (RAB) and tenant association, as applicable, all of the comments received at the public hearing. The comments received by the public, RABs, and tenant associations must be submitted by the MTW agency, along with the MTW agency's description of how the comments were considered, as a required attachment to the MTW Supplement.

As described above, PHAs must submit comments and responses for all Safe Harbor and Agency-Specific Waivers, which are to be held in an additional public meeting.

The public comment process must include the Supplement and all uploaded attachments.

I. Evaluations

I.1: Evaluations. The MTW agency should fill in Table I.1, listing each evaluation of the MTW policies and providing contact information for the evaluator, the time period of the evaluation, and the names of available reports. The MTW agency should list internal evaluations that result in reports that could be shared upon request but may leave off evaluations meant for internal use only. The MTW agency should list all third-party evaluations, as applicable.

J. MTW Certifications of Compliance.

J.1: MTW Certifications of Compliance Form. The format for submission of the required MTW Certifications of Compliance is provided in this Form MTW Supplement. The preamble to the MTW Certifications of Compliance directs the MTW PHA to fill in the beginning of the Fiscal Year for which the certification is being made. This should be provided as the first day of the Fiscal Year to be covered by the Annual PHA Plan (for example, a FY2021 Annual PHA Plan for an MTW PHA with a Fiscal Year of January 1 – December 31, this would be January 1, 2021).

The MTW Certifications of Compliance must be signed by either the Chairperson or Secretary of the Board of the MTW PHA's legislative body. This certification cannot be signed by an employee unless authorized by the MTW PHA Board to do so. If this document is not signed by the Chairperson or Secretary, documentation such as the by-laws or authorizing board resolution must accompany this certification.

The MTW Certifications of Compliance must be submitted to HUD as part of the MTW Supplement for each annual submission and each revised annual submission.

Public reporting burden for this information collection is estimated to average 6.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB control number. The information collected is required to obtain or retain benefits. The information collected will not be held confidential.
