NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Pomona as follows:

SECTION 1. The City Council finds that, pursuant to the Guidelines for Implementation of the Environmental Quality Act (CEQA), the proposed project meets the criteria for a Class 31, Section 15331 Categorical Exemption in that the project involves rehabilitation of a historic resource in a manner that meets the Secretary of Interior’s Standards for the Treatment of Historic Properties.

SECTION 2. Pursuant to Section B.9 of the City of Pomona Revised and Restated Mills Act Historic Preservation Tax Abatement Program (Mills Act program), the City Council makes the following findings regarding the Restoration, Rehabilitation and Preservation Plan for the subject property:

1. *Based on information contained in the program application including, but not limited to, the Restoration, Rehabilitation and Preservation Plan, cost estimates, estimated tax savings to the property owner and other related information, the approval of the Mills Act contract will serve to compensate the City for the reduction in property taxes received.*

Estimated Mills Act Tax Bill:	\$2,534.37
Estimated Savings:	\$2,143.35

Negative number the applicant will not save money under the Mills Act

Estimated Savings over 10 years: \$21,433.50
