DISCUSSION:

The City of Pomona, as a Charter City, has adopted a Purchasing Ordinance (Ordinance No. 4276) governing the procurement of supplies, services, equipment, and Public Works projects. The Ordinance is periodically reviewed and updated to ensure it continues to support efficient operations while maintaining transparency and accountability.

Section 2-1007 of the Pomona City Code currently provides informal and formal bidding procedures for Public Works projects. Staff has identified a need to clarify the City's ability to utilize Cooperative Purchasing Agreements as an authorized procurement method when such agreements have been competitively bid by another public agency or cooperative purchasing organization.

The proposed amendment authorizes the Purchasing Officer to utilize Cooperative Purchasing Agreements with the State of California, counties, other cities, governmental agencies, or organizations such as Sourcewell, National Joint Powers Alliance (NJPA), or the General Services Administration (GSA), provided the originating agency has conducted appropriate public noticing and bidding processes. This authority may be used for both informal and formal Public Works projects.
