1. PROBLEM STATEMENT

The objective of the Pomona Police Department is to prevent and reduce serious injury and death resulting from motor vehicle crashes to all those that drive, walk, or bicycle on the roadway. The definitive goal is for everyone to reach their destinations safely regardless of what method they choose to travel by. Drivers, pedestrians, and bicyclists all share the roadway and need to know the rules of the road and how to protect themselves against dangers.

Officers regularly address hazardous drivers, pedestrian, and bicycle safety issues through enforcement, which is a very important element in reducing traffic crashes. However, another very important component is education. Decreased staffing levels have affected our ability to conduct regular educational outreach at schools and community events throughout the year. Unfortunately, the City of Pomona has seen fatal and serious injury crashes continue to increase. Since 2015, Pomona has averaged 11 fatalities per year as a result of traffic crashes. Between 2019 and 2021, 17 of our 36 fatal crashes involved bicyclists and pedestrians.

In 2019, we documented 526 crashes that resulted in 792 injury crashes. By 2020, this number decreased to 353 crashes, with 524 persons injured. In 2021, 620 crashes resulted in 611 injury crashes. In 2019, 85 traffic crashes involving pedestrians, resulted in 85 pedestrian injuries. In 2020, these numbers decreased to 47 traffic crashes involving pedestrians, with 47 resulting in injuries. This is a 55% decrease in pedestrian crashes, and a 55% decrease in pedestrian injuries. In 2021, 68 traffic crashes involving pedestrians resulted in 68 pedestrian injuries. Bicycle crashes decreased from 37 in 2019 to 27 in 2021. This is a 27% decrease. Bicycle injuries decreased during this same time period. In 2020, we documented 23 bicycle injuries.

In 2019, we had 7 pedestrian fatalities. That number decreased in 2020 with 4 pedestrian fatalities. In 2021, we had 5 pedestrian fatalities, and one bicycle fatality.

We recognize changing trends occurring in the City of Pomona for a more comprehensive approach to our enforcement efforts with increased, consistent, educational measures to enhance awareness of traffic laws among various age groups and factions of our community. Our City's population is growing, which has resulted in more traffic traversing the roads. New residential developments currently encourage living in denser neighborhoods. Our large homeless population also occupy our roadways at all hours. These circumstances create additional vehicle, bicycle, and pedestrian traffic, which generates a greater likelihood for crashes to occur. Statistical data reflects that this is occurring.

Our goal is to be more effective in reducing traffic crashes by dedicating more resources to education and community outreach programs at schools, senior centers, and homeless shelters. We believe a well-formulated traffic-related education strategy can address areas of behavior that are unsafe to those that share the road in order to greatly reduce injury and fatal crashes in a way that has a long-lasting impact on all members of our community.

<ul style="list-style-type: none"> Develop operational plans to implement the “best practice” strategies outlined in the objectives section. All training needed to implement the program should be conducted in the first quarter. All grant related purchases needed to implement the program should be made in the first quarter. 	
<u>Media Requirements</u>	
<ul style="list-style-type: none"> Issue a press release approved by the OTS PIO announcing the kick-off of the grant by November 15, but no sooner than October 1. The kick-off release must be approved by the OTS PIO and only distributed after the grant is fully signed and executed. If you are unable to meet the November 15 deadline to issue a kick-off press release, communicate reasons to your OTS coordinator and OTS PIO. 	
B. Phase 2 – Program Operations (Throughout Grant Year)	

Media Requirements

The following requirements are for all grant-related activities:

- Send all media advisories, alerts, videos, graphics, artwork, posters, radio/PSA/video scripts, storyboards, digital and/or print educational materials for grant-related activities to the OTS PIO at pio@ots.ca.gov for approval and copy your OTS coordinator. Optimum lead time would be 7 days before the scheduled release but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- The OTS PIO is responsible for the approval of the design and content of materials. The agency understands OTS PIO approval is not authorizing approval of budget expenditure or cost. Any cost approvals must come from the Coordinator.
- Pre-approval is not required when using any OTS-supplied template for media advisories, press releases, social media graphics, videos or posts, or any other OTS-supplied educational material. However, copy the OTS PIO at pio@ots.ca.gov and your OTS coordinator when any material is distributed to the media and public, such as a press release, educational material, or link to social media post. The OTS-supplied kick-off press release templates and any kickoff press releases are an exception to this policy and require prior approval before distribution to the media and public.
- If an OTS-supplied template, educational material, social media graphic, post or video is substantially changed, the changes shall be sent to the OTS PIO at pio@ots.ca.gov for approval and copy to your OTS Coordinator. Optimum lead time would be 7 days prior to the scheduled release date, but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- Press releases, social media posts and alerts on platforms such as NextDoor and Nixle reporting immediate and time-sensitive grant activities (e.g. enforcement operations, day of event highlights or announcements, event invites) are exempt from the OTS PIO approval process. The OTS PIO and your Coordinator should still be notified when the grant-related activity is happening (e.g. car seat checks, bicycle rodeos, community presentations, DUI checkpoints, etc.).
- Enforcement activities such as warrant and probation sweeps, court stings, etc. that are embargoed or could impact operations by publicizing in advance are exempt from the PIO approval process. However, announcements and results of activities should still be copied to the OTS PIO at pio@ots.ca.gov and your Coordinator with embargoed date and time or with "INTERNAL ONLY: DO NOT RELEASE" message in subject line of email.
- Any earned or paid media campaigns for TV, radio, digital or social media that are part of a specific grant objective, using OTS grant funds, or designed and developed using contractual services by a subgrantee, requires prior approval. Please send to the OTS PIO at pio@ots.ca.gov for approval and copy your grant coordinator at least 3 business days prior to the scheduled release date.
- Social media posts highlighting state or national traffic safety campaigns (Distracted Driving Month, Motorcycle Safety Awareness Month, etc.), enforcement operations (DUI checkpoints, etc.), or any other grant-related activity such as Bicycle rodeos, presentations, or events, are highly encouraged but do not require prior approval.
- Submit a draft or rough-cut of all digital, printed, recorded or video material (brochures, posters, scripts, artwork, trailer graphics, digital graphics, social posts connected to an earned or paid media campaign grant objective) to the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator for approval prior to the production or duplication.
- Use the following standard language in all press, media, and printed materials, space permitting: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
- Space permitting, include the OTS logo on all grant-funded print materials, graphics and paid or earned social media campaign grant objective; consult your OTS Coordinator for specifics, format-appropriate logos, or if space does not permit the use of the OTS logo.
- Email the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator at least 21 days in advance, or when first confirmed, a short description of any significant grant-related traffic safety event or program, particularly events that are highly publicized beforehand with anticipated media coverage so OTS has sufficient notice to arrange for attendance and/or participation in the event.

If unable to attend, email the OTS PIO and coordinator brief highlights and/or results, including any media coverage (broadcast, digital, print) of event within 7 days following significant grant-related event or program. Media and program highlights are to be reflected in QPRs.

- Any press releases, work plans, scripts, storyboards, artwork, graphics, videos or any educational or informational materials that received PIO approval in a prior grant year needs to be resubmitted for approval in the current grant year.
