TO: Cultural Arts Commission

FROM: Ata Khan, Deputy Director of OEBA

SUBJECT: Approval of Call for Art on Private Development (Siemens Manufacturing, 1237 E. County Road)

**STAFF
RECOMMENDATION:** Approval to release Call for Art in the amount of \$250,000.00.

BACKGROUND

The City of Pomona invites artists or artist teams to submit qualifications to render, design and install artwork at the Siemens Manufacturing facility, a newly developed manufacturing site in South Pomona located at 1237 East County Road. As part of Pomona's "Arts in Public Places" (AIPP) Program, this development will feature publicly accessible public art along Reservoir Street. The designated art spaces include the front of the building and the landscaped areas between the building and the street. This artwork will be funded by the City of Pomona's Art in Public Places fund. Siemens' original minimum valuation of funding for public artwork is \$222,307.59. The artwork recommended to exist on site would be either sculptural or freestanding panels, and for this reason, Staff would recommend the maximum allocation of \$250,000.00.

FISCAL IMPACT

This project has a maximum allocated amount of funding of \$250,000.00 from the Art in Public Places Fund.
