October 8, 2025

**DISCUSSION:** Introduction of the Pomona Complete Streets Ordinance & Quick Build

**PRESENTER:** Max Pastore, Associate Planner

---

The purpose of this discussion is to provide the Planning Commission with an introduction to the Pomona Complete Streets Ordinance & Quick Build project. The goal of this effort is to amend the Pomona Zoning & Development Code to incorporate new design standards for Pomona's streets that maximize public safety. This discussion will focus on the project's: (1) scope and objectives; (2) outreach strategy; (3) schedule; and (4) spatial analysis methodology and initial findings.
