SUBJECT Creation of a Preserve Pomona Awards Ad-Hoc Committee and selection of Committee Members

PROJECT PLANNER: Geoffrey Starns, AICP, LEED AP, Planning Manager

As part of the Preserve Pomona Awards, staff is requesting to create, and select 3 commissioners to serve on, an Ad-Hoc Committee in order to review nominations and make a recommendation to the full Commission at the April HPC meeting. Last year, the Commission wanted to start the process earlier and it seemed to help so staff is bringing it early again.
