Property Background and Update:

On January 7, 2026, the Historic Preservation Commission held a discussion for the requested Determination of Historic Significance (DHS-000639-2025). At the meeting, the Commission made a motion to accept Staff's recommendation that the subject site be deemed not historic and to adopt the draft HPC resolution; the motion

failed on a 3-4-0-0 vote. The Commission then requested that Staff obtain additional pictures of all sides of the facades after which a motion was passed to nullify the previous vote and continue the item to the February 4, 2026 Historic Preservation Commission meeting on a 7-0-0-0 vote.

Staff worked with the applicant to schedule a guided site visit to obtain additional photographs of the structures' rear and side facades (Attachment No. 3).

Staff continues to recommend that the Commission deem the structures on the property located 1347 S. Towne Avenue as not historic and adopt HPC Resolution No. 26-004.
