

# 2024-2028 Priorities and Plan

---

## Area 1: Identification and Designation

PROJECT	YEAR
<p><b>Latino Community Historic Context – 2023</b>                      This project would take a deeper dive on the Latino Community in Pomona, their history and important historic places.</p>	2024
<p><b>Historic Context Survey Phase I – Downtown</b>                      Resurvey Landmark Quarter Historic District to identify more potential Contributing Structures.</p>	2024
<p><b>Black Community / Civil Rights Historic Context</b>                      This project would take a deeper dive on the Black Community and the Civil Rights movement in Pomona, their history and important historic places.</p>	2025
<p><b>Survey for Latino Community Context</b>                      This project would follow-up the Latino Community Historic Context Statement and evaluate properties identified in the context to determine if they should be designated.</p>	2025
<p><b>Historic Context Survey Phase II – TBD</b></p>	2025
<p><b>LGBTQ+ Historic Context</b>                      This project would take a deeper dive on the LGBTQ Community in Pomona, their history and important historic places.</p>	2026
<p><b>Survey for Black Community Context</b>                      This project would follow-up the Black Community/Civil Rights Historic Context Statement and evaluate properties identified in the context to determine if they should be designated.</p>	2026
<p><b>Historic Context Survey Phase III – TBD</b></p>	2026
<p><b>Archaeological Identification Project</b>                      This project would research previous archaeological resource studies, as well as historical data, to provide the city areas that have the potential to have archaeological and indigenous resources. This will allow the city to require proper studies and mitigation can be applied to projects that have the potential to affect these resources</p>	2027
<p><b>Survey for LGBTQ+ Context</b>                      This project would follow-up the Latino Historic Context Statement and evaluate properties identified in the context to determine if they should be designated.</p>	2027
<p><b>Historic Context Survey Phase IV – TBD</b></p>	2027
<p><b>Historic Context Survey Phase V – TBD</b></p>	2028
<p><b>Designation of Ganesha Park</b></p>	

# 2024-2028 Priorities and Plan

---

## Area 2: Ordinance and Policies

PROJECT	YEAR
<b>Review Ordinance Changes</b> Review Changes made to ordinance to continue improvements in process and protection of resources	Yearly
<b>Review Ordinances for Conflicts</b> Review City Ordinance to identify and conflicts with historic preservation ordinance and fix the conflicts.	2025
<b>Architectural Salvage Policy</b> Create a policy and procedures regarding the process of architectural salvage.	2027

---

## Area 3: Education, Training, and Outreach

PROJECT	YEAR
<b>Annual Property Owner Meeting</b> Host an Annual meeting for our historic property owners	Yearly
<b>Review of City Website</b>	Yearly
<b>Create Social Media Presence</b> Create social media accounts and develop strategy for what type of information is presented.	2024
<b>Create Plaque Program</b> Complete design of bronze plaque and determine manufacturer, cost, etc.	2024
<b>Training for City Staff</b> Provide training on a regular basis for other City Staff regarding Historic Preservation.	2024
<b>Train Vendors</b> Develop Qualified Vendors List and provide Training for Vendors to ensure compliance with City Requirements.	2025
<b>Train Volunteers</b> Provide Training for Volunteers to assist with Surveys	2025-2026
<b>Annual Historic Preservation Retreat / Summit (with Ontario)</b> Staff will be working with the other major historic preservation program in the area (the City of Ontario) to create an annual gathering of our Commissions, staff, and eventually other interested parties to promote preservation, provide training, etc.	2026
<b>History on GIS</b> Provide ability for residents to include histories on City GIS system.	2026

---

## 2024-2028 Priorities and Plan

---

### Area 4: Architecture and Design

PROJECT	YEAR
<b>Historic Preservation Design Guidelines</b> Complete new design guidelines will provide staff and the public clear and concise guidance for all types of historic preservation projects.	2024
<b>ADU Standardized Plans</b> Create pre-approved plans for ADUs that city residents may use to construct their ADUs. One option for the plans would apply to historic properties and would meet both the Secretary of the Interior's Standards and City requirements, streamlining the process for ADU's.	2025
<b>Earthquake Retrofit Program for Historic Structures</b> Development standards or regulatory requirements or incentives to protect historic structures from damage caused by earthquakes.	2026
