November 13, 2024

1. Councilman Steve Lustro indicated that he met with the City Manager regarding the proposal. The feedback is that City personnel will prepare a scope of work that would be the most beneficial to the city as a starting point. After the Scope of Work is identified, we can expect assistance in crafting by-laws that will achieve that goal.
2. The proposed Ordinance is placed on hold until the city provides more information.
