Project Prioritization List – Established in 2024/25

1. Traffic Signal at McKinley and Canyon Way – Fully Funded – Essentially Complete
2. Wayfinding Signage - (\$50,000 to \$100,000 - Funding for Consultant – Project Costs: purchase, installation, any easement requirements, etc. TBD)
  - a. Directional Signage - Monument and branded “Disneyland Type” wayfinding in the Fairplex Mitigation Area and by off-ramps
  - b. Electronic Message Signs – Committee suggested locations - McKinley, White, and Arrow (North and South side of street) – option will be considered in Wayfinding project. Concerns related to ongoing management and maintenance of signs.
