# Collision Near Covina Injures Two Persons

A pedestrian, **Laura Ellen White**, 59, of 839 S. Garey avenue, was in a fairly good condition today at the Pomona Valley Community hospital from severe traffic injuries received in front of her home.

Two other persons were hurt, one severely, on Irwindale avenue, north of Cypress avenue, west of Covina, in the only other traffic accident reported in this area.

Mrs. White was eastbound in the north crosswalk at Garey avenue and 9th street at 7:16 o'clock last night when she was **struck** by a northbound sedan driven by **Norman Melroy Dopp**, 41, of 312 W. Franklin avenue, Pomona, according to police.

She was removed by ambulance to the hospital for treatment of a fractured leg, fractured pelvis and multiple abrasions.

## **Passerby Assists**

A passerby, **W. T. Loomis**, 71, of 623 W. Laurel street, Pomona, helped the motorist move the victim from the street to the east curb before police reached the scene.

From Loomis, police learned the collision had carried the woman nearly 44 feet north of the crosswalk and about five feet from the center line.
