## GEORGE FRATER

George Frater passed away in the Pomona Valley Community hospital Tuesday afternoon at 1:32 o'clock after an illness of four weeks.

Mr. Frater was born in Dodge county, Wisconsin, February 18, 1856. When a young man his family moved to Elkhorn, Wis., which was his home until 12 years ago when he and his wife moved to Pomona. They were married April 3, 1890 in Chicago and Mrs. Frater passed away here July 24, 1943, shortly after their 53rd wedding anniversary. When residing in Elkhorn Mr. Frater was in the building contracting business, and he was an active member of the Congregational church. Three months ago, Mr. Frater moved to the family home, 895 Philadelphia street, but for six years previously he had resided at 1483 N. Gordon street.

Mr. Frater is survived by three sons, Will Frater, Detroit, Mich.; Milton Frater, Pomona, and Gordon Frater, Watertown, Wis. He also leaves six grandchildren, two great-grandchildren, one brother, John Frater, and one sister, Miss Jennie Frater, both of Pomona. Another brother, William Frater, passed away here August 13.

Funeral services will be held in the Todd Memorial chapel Thursday morning at 10 o'clock. Dr. Cass Arthur Reed, pastor of the Pilgrim Congregational church will officiate. Interment will be made in Pomona cemetery by the side of his wife.

## Seven Accepted By Moose Lodge

Names of seven local men accepted into membership by Pomona Moose Lodge at a recent meeting, at which they were welcomed into the order by Richard D. Magub, governor, were announced today. They are L. R. Holtzclaw, F. R. Larson, D. H. Miller, M. H. Puhl, M. P. Tunis, C. W. Westerfield and F. M. Wilk. They will attend with other members of the lodge its monthly dinner at 7 o'clock tonight, to which all members of the Loyal Order of Moose are invited.

Governor Magub announced that Mooseheart High School in Illinois will award academic and vocational diplomas to 51 boys and girls at its 36th commencement exercises on June 19.

These 25 boys and 26 girls came to the Moose Child City, after the loss of one or both parents, from 47 cities in 18 states and Canada. During their period of residence at Mooseheart, ranging from 2 to 18 years, their education has included training in good citizenship and vocations. More than 70 per cent of this year's class will enter colleges or universities; the rest will find employment in their chosen vocations, Magub said.

## Gas Company Promotes Four To Key Posts

Promotion of four men to key posts in Southern Counties Gas Co.'s eastern division were announced today by Homer R. Mead, division manager.

Charles E. (Chuck) McCrory, new business supervisor, was named division customers' department manager, responsible for all division customer contact activities, including customer service and public relations.

H. E. (Gene) Pettitt, formerly local manager in the east San Gabriel Valley, was promoted to division accountant, a new position. He will be responsible for principal division accounting activities.

H. M. (Mal) Jenkins, eastern division sales representative-promotion, succeeds McCrory as new business supervisor.

D. E. (Doug) Hughes, staff representative-standards, of the gas company's Los Angeles general office, succeeds Pettitt.

According to Mead the changes were made necessary due to growth of areas served by the eastern division which, he said, "is expected to continue and even accelerate for some time to come."

The moves were particularly appropriate at this time, Mead added, because of the planned retirement Jan. 1 of Ira Holde- man, eastern division customers' department manager.

The four being promoted, all of whom will be trained in their new positions by the incumbents, have been with the gas company for at least nine years.

## Bullfights Losing Pull

MEXICO CITY (AP) — Bullfighting is going to the dogs in Mexico City.

Once the favorite sport here, has steadily declined in popularity and last year reached an all-time low without a formal season in any Real building.

Locals say the sport has dropped to bush-league level. Bulls are poor, matadors are as bad. Could the Yokum Tigers in Yankee Stadium's largest building, has been closed because of difficulties including high taxes, poor management, controlled ticket prices too low to permit profits, uncompromising labor demands.

# Ganesha, Devil Spikers Vie Tomorrow

## Montview Loop Entry Seeks 2nd Victory Over Pomorans

By JERRY MILES

City rivals Pomona and Ganesha Highs, both having powerfully built spike aggregations, run headon tomorrow in a much awaited meeting on the Red Devil track.

The two schools have clinched at least a tie for their second straight Tri-County League championship, while Ganesha is one of the favorites in the Montview Loop race.

The ever improving Giants of Coach Bud Petersen defeated Pomona (43 5/8-34) in a triangular meet with Santa Ana last year. However, in dual meet competition Coach

Don Green's thindads have chalked up an impressive win streak of 17 in a row.

On paper, where few battles are won, the Giants rate the favored role. Yet, in an arch rival meeting, the one in which the unexpected is given its best chance to develop.

Pomona must have a couple of surprises in the bag to have a chance to catch down the Giants and Ganesha is determined to prevent it.

Ganesha's Dave Crow, who

already has proven himself to be one of the Southland's top hurdlers, is all but a "sure thing" in the stick events. He

has best races of 14.5 and 19.4

and Pomona hasn't anyone close to either time.

Dave McCarthy (low and high) and Bill Strang (low) also figure to be strong for the Red Devils to handle.

A wide open battle looms in the sprints with Ganesha's Dennis Nasar and Chuck

Chambers in the 100, while John

Castaneda and Dennis Lange

carry Ganesha's hopes in the half mile.

Bob Ortz will be rough to

handle in the 400, while John

Castaneda and Dennis Lange

carry Ganesha's hopes in the half mile.

The Giants' Howard Grobe

will have to top his best time of 4:45 in the mile by several

seconds if he is to pick up a blue ribbon.

The "pole event" in the field

events will be the pole vault

where Mike Flanagan and Po-

mona's Art Seagren tangle.

Both have been over 13 feet

with Flanagan's 138 1/2 the top

mark.

Pomona is favored in the

high jump and the junior

but Fred Bellows, Strang and

Crow may have something to

say about it. Strang has a best

of six feet in the high jump

for the Giants, while Bellows

is a shade better than

Bellows' top broad jump leap.

The shot put also figures to

be a tight battle. Ganesha's Bob

Bushman definitely has been

the most consistent of all per-

formers. Giants' Rod Russell,

## Pomona High Varsity Angling For 18th Straight Dual Win

DOUG SAILS

HOWARD GROBE  
... likes distances

Pomona High's varsity track and field team has won 18 dual meets in the past three years but its streak will be in jeopardy tomorrow when Ganesha High motors across town to face the Red Devils.

Pomona won all seven of its dual meets in 1957, when it was a member of the Montview League. The team has won 18 dual meets through five dual meets untouched last season in the Tri-County League.

The Red Devils have won four consecutive dual meets this season, defeating Montview and Ganesha and four TCL opponents. They'll be going for their 18th straight dual meet victory.

The track and field action begins at 3:15 p.m. and the meet will be contested at the varsity, bee and cee levels.

Most of the Red Devils and Ganesha has been picking up interest right along as both

schools show outstanding track talent. Pomona has matched the TCL dual meet title and Ganesha is favored to bring home the Montview crown.

Additional miler seats will be placed at the Pomona track and the seating capacity is expected to be 400.

The full teams of the Red Devils and Ganesha met for the annual meet last Saturday in a triangular meet with Santa Ana. Santa Ana scored 51 1/4 points to Ganesha's 34 and Pomona's 34. Santa Ana also took the high jump title in the 100 and 200.

Both teams had a tie in the 400 and Pomona's Doug Crow, a transfer from Pomona as a sophomore, won the 100 and 200.

The most exciting competition could be in the pole vault, where Pomona's Art Seagren meets Ganesha's Mike Flanagan in the high jump. Seagren and Flanagan are old buddies who often practice together. Both are record holders at their respective schools. The Giants made a clean sweep in the cee class with Pomona second and Ganesha third.

It was the only official meeting of the two city schools although they have been together in invitational meets and

the two schools have been in the high jump.

Bernard will carry Pomona's top honoree in the quarterfinals and he may score 200 where he edged teammates Matheson and McMillan Friday.

In a meet with Chino, Bernard was 10th in the pole vault, hoping to edge out both Seagren and Flanagan. He is also Pomona's best high jumper and may be entered in the high jump.

Matheson, McMillan, Rank and Bernard also will form the Red Devil relay foursome.

## Upsets Flanagan in Vault

# Spike Honors to Seagren!

By JERRY MILES

LOS ANGELES — Art Seagren and Pomona Valley's four-man mile relay team crowded state winners Ray VanAsten and Mike Flanagan out of the headlines here Saturday with surprise victories in the first annual Golden West Invitational prep track spectacular at East Los Angeles Stadium.

VanAsten, the national interscholastic record holder in the 880, was disqualified in the half-mile for "bumping," while Flanagan finished fifth in the pole vault.

Seagren, a last minute entry, scored a great upset by topping the classy pole vault field. Actually, he tied with Rex Wood and Floyd Guerra, the 14-5 vaulter from Tempe, Ariz., at 13-6, but the Pomona High grad had fewer misses.

Before he missed three times at 14 feet Seagren had

it enabled him to take the gold medal for first place. Seagren cleared 13-6 on his first attempt. Flanagan made 13 feet but went out at 13-6. The four-man relay of Ricky Smith, Bill Strang, Jim Henry and Phil Buford won a two team mile race from San Fernando Valley in the time of 3:28.8. The same group hooked up with Dave Crow, Chuck Chambers, Phil Strona and VanAsten to finish second to Long Beach in a fine eight-man mile relay. The winners were timed in 3:02.1, while Pomona was clocked in 3:02.7.

It was a particularly disappointing day for VanAsten. The lanky 63½, 178-pound speedster never had a chance after the start. He was "boxed in" at the start and was unable to get out.

Running in fourth place, VanAsten pushed through Jan Underwood and Harry

Rhodes in the stretch in a vain effort to catch the front runner Ron Whitney. However Whitney held off VanAsten's desperate bid to nip him at the wire in 1:54.4. VanAsten was second in 1:54.5, but disqualified. Rhodes, who was timed in 1:54.6, was awarded second with Underwood third and Robin Ruble third.

VanAsten summed up his showing with a disgusted, "It was a dumb race."

"But I sure wish I could run it again," he quickly added. He went on to say that he thought he would be able to get out of the box.

"I thought they (Underwood and Rhodes) would either move out or drop back and let me out, but it didn't work out that way."

The touted mile run was won by Ben Tucker from San Francisco Poly in 4:18.7. Joe

## VanAsten Disqualified

Hubie Watson squeezed out a 9.7 win over Jordan High teammate John Peters in the century, but Jimmy Douglas of North Miami, Fla., won the 220 in a photo finish with Watson. Both were timed in 22 flat.

Other top performances were turned in by Richard Inman of Belton, Tex., in the shot put with a toss of 62-11 and by broad jumper Walt Roberts, who leaped 23-8½.

#### Top Field Shaping Up for Mt. Sac Relays

Sprinting across the track and field front: A great field is shaping up for the Mt. San Antonio College Relays, April 26 and 27. Meet Director Hilmer Lodge has been attempting to lure Peter Snell, the world record holder in the mile, to Walnut but the plans of the New Zealand ace remain doubtful at the moment.

Invitations to the Mt. Sac Relays have been mailed to milers Dyrol Burleson, Tom O'Hara, Cary Weisiger and Bill Dotson. The mile still seems to be the magic event and Lodge is hopeful of landing the best possible field . . .

One of the highlights of the Relays will be the mile relay event, where Arizona State, USC and Cal are already entered. The team from Texas Southern also may be in attendance and the Striders have a great group this season . . .

#### ABC May Carry Mt. Sac, Drake Penn Meets

ABC television is investigating the possibility of airing the Mt. Sac, Drake and Penn Relays simultaneously on its "Wide World of Sports" program. All three Relay events are

held on the same weekend. The telecast, if plans develop, would feature the top events in each meet . . .

Mt. Sac will be the host school for the Eastern Conference trials and finals and the Southern California JC trials and finals this season . . . the state meet will be held at Modesto, where the Mounties will defend their crown . . .

The local prep track and field season promises to be one of the best ever. Prep spike fans all over the country will be keeping an eye on Marc Savage, the Claremont High pole vaulter who cleared 14-7½ Tuesday for the third best mark of all-time . . .

#### Pomona Valley Has Produced Top Vaulters

There probably isn't an area in the country which can match the prep pole vaulters turned out by the Pomona Valley. Last season three Ganesh athletes cleared better than 14 feet—Bob Richardson (14-3½), Dave Hickson (14-2½) and Doug Swartz (14-2½). Pomona's Benny Brown cleared 13-3½ last season while Claremont's Tim Buchanan made 13-1 and both of these boys—plus several other promising local prep vaulters—are back this season . . .

Two of the athletes who really did a lot to build interest in prep pole vaulting in the area are Mike Flanagan and Art Seagren. They had some great duels when Flanagan was at Ganesh and Seagren was at Pomona. Flanagan's best as a prep was 13-8½ while Seagren did 13-6½, both marks coming in 1960. Flanagan, of course, now is at USC while Seagren is at Mt. Sac . . .

One of the highlights of the local prep track and field season will be the Pomona-Ganesh meet, slated for April 18 on the Red Devil field. Ganesh won a thriller last season (13 1/6-5 5/6) and this year's meet should be about as close although it's too early to tell who should have the edge . . .

#### Track Interest in Bay Area at All-Time High

San Jose State Coach Bud Winter reports "Track interest in the Bay Area is at an all-time high thanks to last year's U.S.-Russian meet and last month's indoor meet in San Francisco. A lot of clocks in Northern California will be on a fresh-man sprinter at Cal, Forrest Beatty, who apparently has recovered from the 1962 pulled muscle . . .

Meets this Saturday find USC vs. BYU at the Coliseum; Oxy vs. Arizona State and Arizona at Tucson; UCLA and Redlands at San Diego State; Pepperdine and Pasadena AA at Los Angeles State; UC Santa Barbara at Long Beach State; San Fernando State at Pomona; and Cal Poly and La Verne at CMC . . .

Ray Van Asten, who was a key member of Mt. Sac's state JC championship team last season, could be a member of an NCAA title club this year. Ray, of course, is at Oregon and the Ducks have a fantastic spike cast despite the loss of Dyrol Burleson and Jerry Tarr.

**FRANCHISE PAYMENT** — Esther H. Brichacek, Pomona city treasurer, accepts a \$53,704 check from H. E. Pettitt, accounting department manager for Southern Counties Gas Co. The check is payment for use of streets and highways.

## Gas Co. Franchise Payments Set Record

Southern Counties Gas Co. this week paid the highest franchise payments in its 52-year history to eight Southland counties and 99 of their cities, according to D. E. Shively, the firm's eastern division manager.

The record payment, Shively

said, totals \$1,998,693, up more than \$290,000 from the amount paid last year.

Of that total more than \$890,000 went to Los Angeles County and 48 of its cities while other funds will go to San Bernardino and Riverside County cities.

Of the funds sent to Los Angeles County cities, Pomona received \$53,794; Claremont got \$11,981; La Verne, \$6,277; San Dimas, \$7,837; Walnut, \$1,769; and West Covina \$37,930.

Cities in San Bernardino County receiving funds were Chino, \$9,097; Montclair, \$13,016; Ontario, \$36,659; and Upland \$16,891.

These franchise payments are made by all investor-owned gas, electricity and water utilities for the use of public streets and highways.

Shively said that the combined total of payments means that the gas firm paid an average of \$10.44 to local governments for each of their residents being served at the end of 1962.

## Mrs. Thomas Diaz

POMONA — Mrs. Maria Luisa Diaz, wife of Thomas H. Diaz of 746 W. 12th St., died Saturday in a Claremont convalescent home following a lengthy illness.

Mrs. Diaz was born June 21, 1903, in Silao, Guanajuato, Mexico. She moved to Pomona from Tucson, Ariz., in 1933.

Mrs. Diaz is survived also by three daughters, Mrs. Virginia Gomez of Pomona, Mrs. Sarah Delgado of Ontario, and Mrs. Mary Seuallos of Montclair; four sons, Paul and Manuel of Pomona, Frank of La Mesa and Louis of Ontario; two brothers, Julian Gomez of Fresno and Candelario Gomez of El Paso, Tex.; 30 grandchildren and one great-grandchild.

Rosary will be recited Tuesday at 8 p.m. in Todd Memorial Chapel Pomona. Requiem Mass will be celebrated Wednesday at 10:15 a.m. in Sacred Heart Catholic Church. Burial will be in Holy Cross Cemetery.
