RE: Sole Source Letter for City of Pomona

To Whom It May Concern:

This letter is written to notify you that Kinetic Energy Systems is the exclusive LAKOS Filtration representative for the Waterworks/Municipal markets and the products associated with these markets. They will be the contact for pricing and coordination with LAKOS to supply these products to the requestor.

If you should have any questions regarding this, please do not hesitate to reach out to me.

Regards,

Tom Cabezut
Western Regional Sales Manager
