

Capital Improvement Program Project Details

Project Title: **Complete Streets Quick-Build - Park Avenue and Orange Grove Avenue**

Project Description: This project includes the restriping of Orange Grove Avenue, between White Avenue and Garey Avenue, to include bike lanes. The project will also include temporary traffic delineators and devices at the intersection of Orange Grove Avenue and Park Avenue, with enhanced pedestrian and bike facilities for demonstration purposes. These intersection improvements may be removed, modified, or maintained based on public feedback and recommendation from City staff. The purpose of this project is to demonstrate and evaluate the effectiveness of the enhanced pedestrian and bike facilities. It is partially funded by the Southern California Association of Governments (SCAG).	Project Number: 428-2590-XXXXX-68601
	Department / Division PW/Engineering
	Project Manager Ron Chan
