On December 18, 2017, the City Council adopted Ordinance No. 4244 to ensure compliance with the requirements of the California Values Act (SB 54). Ordinance No. 4244 states, in part, “All reports regarding any ongoing law enforcement task force required to be issued by the Police Department pursuant to SB 54 shall be submitted to the City Council via the City Manager concurrent with the submission to the Department of Justice.” It also states, “The City Manager shall be responsible for developing and implementing training materials for relevant City personnel regarding the scope and requirements of SB 54 and this ordinance. Annually or as otherwise requested by the City Council, the City Manager shall report to the City Council the status of training and compliance with SB 54.

California Department of Justice (DOJ) California Values Act Task Force Participation Report

The Pomona Police Department participates in a single FBI Task Force that focuses on Gang and Drug Trafficking. SB 54 requires that participating in any federal task force be reported annually to the California DOJ. The California DOJ California Values Act Task Force Participation Report for 2025 that was submitted to the DOJ is included in Attachment 1. The Pomona Police Department reported that the FBI San Gabriel Valley Safe Streets Task Force made a total of sixty-four (64) arrests in 2025 and further reported the total number of people arrested for immigration purposes by the Task Force was zero (0). The Pomona Police Department did not request any exclusions from disclosure to the DOJ.

The second part of the California DOJ California Values Act Task Force Participation Report for 2025 provides the status of staff training. All City staff were trained in 2018 as part of the initial implementation of the ordinance. All Pomona Police Department employees continue to receive annual training on critical policies and sign an annual acknowledgement of receiving the training, which includes training on SB 54 and Ordinance No. 4244. In addition, all newly hired City staff receive the training materials for SB 54 and Ordinance No. 4244 as part of the onboarding process. The training materials, which include the Police Department Policy (Attachment No. 2), Ordinance No. 4244 (Attachment No. 3), and the Non-Law Enforcement Staff Guidelines (Attachment No. 4) can be located online on the Pomona Police Department’s home page titled “California Values Act Compliance,” at the following link:
