Working as educators for many years at Simons Middle School, we have seen many young girls who have the potential to graduate high school, go to college, and become successful in their chosen careers. However, many of our middle school girls lack assertiveness and have low self-esteem. Because of this, we developed Simons' **A**ssertiveness and **S**elf-**E**steem **E**ducation (**SASEE**). Through SASEE, young girls learn how to become confident and feel worthy, choose friends that will build them up, learn how to deal with social media in their lives, and how to nurture a positive self-image. The girls rotate through 5 sessions that touch on each of these areas. One session is called, "I am Beautiful" where we have college sorority girls from local colleges come in and perform light makeovers on our middle school girls by doing their hair, painting their nails, and doing light facial make-up. This year we are including a photo booth to this session so the girls can capture their makeovers in a fun and memorable way with their friends. So we are asking for any amount of a monetary gift to help us fund this photo booth. We thank you in advance for your support in helping us make this special day a day these girls will remember for a lifetime.
