NOW, THEREFORE, the parties hereto agree as follows:

1. Sale and Purchase Agreement.

1.1 No Further Encumbrance of Property. Seller shall not encumber the Property with any leasehold interest, tenancy or occupancy, and further agrees not to amend, extend, renew, or permit the holdover of any existing leasehold interests, tenancies or occupancies of the Property or to cause, or acquiesce to, any further liens or encumbrances or otherwise alter the condition of title, following County's execution of this Agreement. As of the signing of the Agreement, Seller shall ensure that the Property is unencumbered by any leasehold interest, tenancy or occupancy other than the County, and shall maintain the Property in that condition to and until the Closing as defined in Section 3.7 below, whichever occurs first.

1.2 Right of Entry. Seller hereby also grants to County, its agents and employees the right to enter upon the Property for the purpose of conducting engineering surveys, soil tests, entitlement processes, including, but not limited to those reports/studies required to satisfy compliance with CEQA and any other studies/reports to determine the Property's suitability for the intended or contemplated use by County and for any other reasonable purpose. Buyer shall defend, hold and save Seller harmless from and against any and all loss, cost, damage, liability, injury or expense, arising out of or directly related to damage to property, injury to or death of persons, or the assertion of lien claims caused by such entry, inspection and implementation of soil tests, environmental investigations and other studies with respect to the physical condition of the Property. Buyer shall obtain insurance covering Buyer's indemnity, hold harmless, and defense obligations to Seller pursuant to this paragraph. Prior to entry upon

the Property for such inspection Buyer shall furnish to Seller certificates of commercial general liability insurance in the amount of at least One Million Dollars (\$1,000,000) combined single limit for bodily injury and property damage and Two Million Dollars (\$2,000,000) general aggregate limit, naming Seller as an additional insured, which policy insures Buyer's indemnity obligations and responsibilities under this paragraph 1.2. Buyer shall maintain such policy in effect until the Close of Escrow.

1.3 Purchase Price. The purchase price ("Purchase Price") for the Property shall be Eight Hundred Thirty One Thousand Six Hundred and 00/100 DOLLARS (\$831,600.00)

1.4 Contingencies. County's purchase of the Property is subject to the following conditions:

1.4.1 Compliance with all applicable CEQA requirements.

1.4.2 Approval of this Agreement by County Board of Supervisors ("Board");

1.4.3 Board adopting a Resolution of Notice of Intention to Purchase the Property; and

1.4.4 Board approving the purchase of the Property.

1.5 Voluntary Termination. County may terminate this Agreement, by written notice to Seller, if County determines, in its sole discretion, that the Property or the County cannot reasonably meet all legal requirements and obtain all necessary government approvals. Effective upon the date of issuance of such notice, this Agreement shall terminate, and all rights and obligations of County and Seller under this Agreement shall terminate concurrently.

2. Transfer of Property Interest.

2.1. Escrow. Within 10 business days following County's execution of this Agreement, the parties shall open an escrow account ("Escrow") with Chicago Title Company, 725 South Figueroa Street, Suite 200, Los Angeles, CA 90017 ("Escrow Holder"). This Agreement shall constitute the basic Escrow instructions for the purpose of consummating the transaction contemplated by this Agreement. Escrow Holder is authorized to:

2.1.1. (i) pay and thereafter charge Seller for any delinquent taxes, penalties and interest thereon, and for any delinquent or nondelinquent assessments or bonds against the Property; (ii) pay, and thereafter charge Seller, for any amounts necessary to place title to the Property in the condition necessary to enable conveyance pursuant to this Agreement; including documentary transfer tax if necessary; (iii) pay and charge County for title

insurance; (iv) pay and charge Seller and County each for their portion of escrow fees; (v) prorate all real property taxes which are unpaid and/or a lien on the Property as of the close of Escrow according to the formula adopted by the Los Angeles County Assessor's Office and deduct Seller's portion from its proceeds. The tax amount withheld shall be made payable to County Auditor-Controller's Office following the Closing. Any taxes which have been prepaid by Seller shall not be prorated, but Seller shall have the sole right after Closing to apply to the Los Angeles County Treasurer for refund of the taxes attributable to the period after acquisition, pursuant to Revenue and Taxation Code Section 5096.7; and (v) when conditions of Escrow have been fulfilled by Seller and County, (a) record documents of conveyance; (b) disburse the Purchase Price to Seller, less applicable prorations and expenses; (c) deliver copies of the Escrow closing statements to both parties; and (d) deliver, as instructed, any items or documents given to Escrow Holder to hold on behalf of both parties.

2.2. Execution of Additional Escrow Documents. The parties shall execute and deliver to Escrow Holder, within two (2) business days after receipt, such additional escrow instructions prepared by the Escrow Holder as may be required to consummate the transaction contemplated by this Agreement. Any such instructions shall not conflict with, amend, or supersede any provisions of this Agreement. If there is any inconsistency between such instructions and this Agreement, this Agreement shall control unless the parties expressly agree in writing otherwise.

2.3. Form of Grant Deed. Fee simple title to the Property shall be conveyed by Seller to County by a grant deed substantially similar to the form attached hereto as Exhibit "B", subject to only matters approved in writing by County pursuant to Section 2.4 of this Agreement.

2.4. Condition of Title to Transfer Property. Seller shall cause the conveyance of good and marketable fee simple title to the Property to County, as evidenced by a C.L.T.A. Standard Coverage Form Policy of Title Insurance ("Title Policy"), issued by Escrow Holder, in an amount equal to the value of the Purchase Price. The Title Policy shall show as exceptions only items approved in writing by County. The warranties of title are intended to survive the Closing. Prior to the Closing, Seller shall use reasonable efforts to remove from title any exception items disapproved by County. If the item cannot be removed, said item may be eliminated by any feasible method that is acceptable to County. Notwithstanding the foregoing, upon Closing, County shall assume responsibility for disposition of any hazardous materials present on the Property as required by applicable Environmental Laws. As used herein, "Environmental Laws" means any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of courts, ordinances, rules, codes, orders, decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future which are or become applicable to Property. If an exception item cannot be removed from title and/or County does not approve a method of removing any disapproved exception items

from title for any reason, County, as its sole and exclusive remedy, may (i) waive this Section 3.4 in said Agreement and proceed with this transaction, or (ii) terminate this Agreement, whereupon neither party will have any further liability to the other.

2.5. County's Conditions to Closing. County's obligation to consummate the transaction contemplated by this Agreement is conditioned upon: (i) Seller's delivery of the grant deed to Escrow Holder; (ii) Seller's representations, warranties and covenants being true and correct as of Closing; and (iii) Title Company's irrevocable commitment to issue the Title Policy. If any of the above conditions are not satisfied, County shall allow Seller an opportunity to cure by any reasonable method. If Seller fails to cure said deficiency, County may, in writing, terminate this Agreement, and thereafter the parties will have no further obligations pursuant to this Agreement. If County does not object to Seller not satisfying any of the said conditions, County will be deemed to have waived that condition or those conditions as of Closing.

2.6. Seller's Conditions to Closing. Seller's obligation to consummate the transaction contemplated by this Agreement is conditioned upon: (i) Board adopting a Resolution of Notice of Intention to Purchase the Property; (ii) Board approving the purchase of the Property; (iii) County's deposit of the Purchase Price into Escrow no later than thirty (30) business days after Board approval of the purchase; and (iv) County's representations, warranties and covenants being true and correct as of the Closing. If any one of the above conditions are not satisfied, Seller shall allow County a reasonable opportunity to cure by any reasonable method. If County fails to cure said deficiencies, Seller may, in writing, terminate this Agreement, and thereafter the parties will have no further obligations pursuant to this Agreement. If Seller does not object to County not satisfying any of the said conditions, Seller will be deemed to have terminated this Agreement.

2.7. Closing. For purposes of this Agreement, the "Closing" shall be defined as the recordation of the grant deed in the Official Records of the County of Los Angeles. The parties agree to use their best efforts to effect the Closing no later than sixty (60) days or sooner following County's execution of this Agreement. The parties may agree in writing to extend the Closing beyond that date, if such an extension appears to either party to be necessary.

3. Possession.

3.1 County's Possession. County shall be entitled to possession of the Property as of the Closing.

3.1.1 Seller agrees to deliver the Property in a vacant condition, as described in Section 1.1., upon the Closing.
