WHEREAS, the proposed vacation of the subject Street and Alley is consistent with the City's Mobility and Access Component of the General Plan; and

WHEREAS, the Planning Commission of the City of Pomona has, after giving agenda notice as required by law, reviewed General Plan Conformity Assessment (GPC 6936-2017) on March 8, 2017.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Planning Commission of the City of Pomona, California as follows:

SECTION 1. Pursuant to Article 19, Section 15061(b)(3) of the Guidelines for Implementation of the California Environmental Quality Act (CEQA), the Planning Commission determines that this project is exempt from further CEQA review and documentation. Section 15061(b)(3) exempts projects where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

SECTION 2. In support of the General Plan Conformity Assessment finding, the Planning Commission hereby finds and determines that the Street and Alley vacation will not adversely affect the General Plan of the City, in that the proposed project is consistent with the following policies found in the Mobility and Access Component of the General Plan:

Goal: Align the amount of parking available and the amount of parking provided by new development with the real pattern of anticipated parking demand.

Policy: Avoid the appearance of a "sea of asphalt" in surface parking lot design and maximize shading with large trees planted throughout parking areas.

Goal: Cultivate Downtown as the “Heart of the City” where residential, shopping, employment, entertainment, educational, art, cultural, and civic activities are supported by transit, parks, parking, and a walkable environment.

Policy: Consolidate parking in structures or off-street parking lots located behind buildings or away from the street edge.

Goal: Use the Downtown Pomona Specific Plan as the guide for development Downtown.

Policy: Provide additional entertainment and cultural venues within the Arts District

The proposed street and alley vacations are designed to facilitate the sale of City of Pomona owned Vehicle Parking District properties for the development of a multi-screen movie theater on currently vacant land and surface parking lots. The theater development proposal will result in the removal of a “sea of parking” located along a street edge of West Third Street. The project site is located within the Arts District of the Downtown Pomona Specific Plan and will cultivate additional arts activities and continue to activate Downtown Pomona with daytime and nighttime activities.

SECTION 3. The Planning Commission of the City of Pomona hereby approves General Plan Conformity Assessment (GPC 6936-2017) to allow the proposed vacation of the 70-foot wide Gordon Street and the 20-foot wide alley located between South Park Avenue, South Main Street, West Second Street and West Third Street as illustrated and described in Exhibit A.

SECTION 4. The Secretary shall certify to the adoption of this Resolution and forward the original to the City Clerk.
