

**BASE BIDS AND RECOMMENDED ADDITIVE ALTERNATES**

<b>Parks</b>	<b>Base Bid</b>	<b>Recommended Additive Alternates</b>
Kennedy Park – Field Improvements	Installation of ballfield lighting including lights, poles, lighting controller, and other related fixtures.	Not recommended due to funding limitations.
MLK Park – Gazebo	Replacement of existing roofing, laminated beams, barbeque grills, ADA ramp, and some concrete work.	Lifted/broken concrete, sidewalk removal and replacement.
Garfield Park – ADA Ramps	Construct one ADA ramp at the southeast corner of Pasadena Street and Arboleda Way.	None
Phillips Paw Park – Dog Park	Dog park with separation for sizes (small and large), fencing, trees, water fountains, decomposed granite as surface material, agility skills equipment, and benches.	None
Ganesha Park –Tree Grove	Turf removal, debris clean-up, drip irrigation to four existing trees, cap/modify existing irrigation system, and removal of existing trees.	Plant three new palm trees with drip irrigation system.
Esperanza y Alegria Park – New Pocket Park	Grubbing/clearing/grading; planting of trees, plants, and shrubs; limited wrought iron fencing (gated), vinyl coated chain link fencing, half-court basketball court combination volleyball court, extended netting around basketball/volleyball court, drinking fountains, playground equipment, wooden shade trellis, ADA curb access ramp, and striping for ADA parking.	Substitute the wooden trellis with a solid roofed, 12'x12', shade shelter.
