VIA PERSONAL DELIVERY & E-MAIL

Honorable Mayor Sandoval
and the Honorable Members of the
City Council of the City of Pomona
City of Pomona
505 South Garey Avenue
Pomona, California 91766

Re: Appeal of Decision of Planning Commission (Conditional Use Permit No.
CUP 11-002); 804 William Street, Pomona California

Honorable Mayor Sandoval and Honorable Members of the City Council:

On behalf of our client, Dr. Michael Agron ("Appellant"), the owner of property located at 804 William Street Pomona, California ("Property"), we provide the Council with the attached list of project supporters. Over 200 Pomona residents support the proposed project and the positive changes the use has brought and will continue to bring to the neighborhood.

The proposed project, an 11-room roominghouse, has improved the safety, security and well-being of the community and provided additional housing to those in need. The project is consistent with the General Plan and, as conditioned, meets all development standards and zoning requirements for the proposed use. The Property also provides eleven units of housing affordable to low-income and very-low income residents in the City. Approval of the conditional use permit would allow the existing eleven residents to remain the Property and promote aging-in-place.

If you have any questions, please do not hesitate to contact me at (213) 629-5300.

Sincerely,

Russell E. Morse
TRUMAN & ELLIOTT LLP

cc: Brad Johnson, City of Pomona Planning Manager
Nancy Lee, Associate Planner

I SUPPORT THE 804 WILLIAM ST CONDITIONAL USE PERMIT

I support Dr. Agron and his request for a CUP for the property located at 804 William Street. I support this project because:

1. Dr. Agron has improved this property immensely and therefore improved the neighborhood safety as well
2. This use has been occurring on this site for almost 10 years and has very few problems;
3. The Project is compatible with the scale of development in the area.
4. With the CUP, the Project meets all City requirements, including parking.
5. The Project will provide de-facto affordable housing units to 11 individuals

Over the last 10 years, the use has improved the City and the community. I am supportive of any permit or other approval required by the City to continue this use.
