

**PC RESOLUTION NO.**

**A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF POMONA, CALIFORNIA APPROVING CONDITIONAL USE PERMIT (CUP 6979-2017) TO ALLOW THE SALE OF ALCOHOLIC BEVERAGES (ON-SALE BEER AND WINE – TYPE 41 ABC LICENSE) FOR ON-SITE CONSUMPTION IN CONJUNCTION WITH A NEW RESTAURANT (POMONA PIZZA COMPANY) IN THE REGIONAL COMMERCIAL DISTRICT (R-C) IN THE PHILLIPS RANCH SPECIFIC PLAN AREA LOCATED AT 46 RIO RANCHO ROAD, SUITE 101.**

**WHEREAS**, the applicant, Art Rodriguez & Associates for Pomona Pizza Co., has filed an application for Conditional Use Permit (CUP 6979-2017) to allow the sale of alcoholic beverages (on-sale beer and wine – Type 41 ABC license) for on-site consumption in conjunction with a new restaurant (Pomona Pizza Company) that will be located at 46 Rio Rancho Road, Suite 101;

**WHEREAS**, the subject site is currently located within the Regional Commercial District in the Phillips Ranch Specific Plan (PRSP) Area;

**WHEREAS**, the subject site is currently designated “Activity Center-Regional Center” by the City’s General Plan;

**WHEREAS**, the approval of a Conditional Use Permit by the Planning Commission is required for the on-sale of alcoholic beverages, pursuant to Section .580 of the Pomona Zoning Ordinance;

**WHEREAS**, the Planning Commission of the City of Pomona has, after giving notice thereof as required by law held a public hearing on June 14, 2017, concerning the requested Conditional Use Permit (CUP 6979-2017); and

**WHEREAS**, the Planning Commission has carefully considered all pertinent testimony, the recommendation of the Planning Division staff and the staff report offered in the case as presented at said noticed public hearing.

**NOW, THEREFORE, BE IT HEREBY RESOLVED** by the Planning Commission of the City of Pomona, California:

**SECTION 1.** The Planning Commission exercising their independent judgment has determined that pursuant to the provisions of the California Environmental Quality Act (CEQA), an addendum to a previously adopted Environmental Impact Report considering the proposed land use has been prepared and approved consistent with CEQA Section 15164. Therefore, no further environmental review is required.

**SECTION 2.** If any part, provision, or section of this resolution is determined by a court or other legal authority with jurisdiction over the subject matter of this resolution to be unenforceable or invalid, the remainder of the entirety of this resolution shall not be affected and shall continue in full force and effect. To this end, the provisions of this resolution are severable.

**SECTION 3.** In accordance with Section .580.B of the Zoning Ordinance, the Planning Commission must make findings in order to approve Conditional Use Permit (CUP 6979-2017). Based on consideration of the whole record before it, including but not limited to, the staff report, public testimony received at the public hearing on this matter, and evidence made part of the public record, the Planning Commission hereby finds as follows:

1. *That the proposed use at the particular location will contribute to the general well being of the neighborhood or community.*

The sale of alcoholic beverages (on-sale beer and wine – Type 41 ABC license) for on-site consumption will enhance the existing restaurant by providing a service and convenience to the public. The sale of alcohol will be incidental to the primary use, which is a bona fide restaurant. Furthermore, the addition of alcohol to the services provided will help ensure the economic viability of the restaurant use, thus increasing the likelihood that the business will continue operating and providing dining opportunities to local residents. The on-sale (beer and wine – Type 41) alcohol license will not negatively affect the general welfare of the neighborhood.

2. *That such use will, under the circumstances of the particular case, not be detrimental to the health, safety, peace, or general welfare of persons residing or working in the vicinity or detrimental to the use, valuation or enjoyment of property or improvements in the vicinity.*

As conditioned, the applicant's request will not be detrimental to the health, safety, peace, or general welfare of persons residing or working in the vicinity since the project is in substantial conformance with the development standards and use requirements of the Pomona Zoning Ordinance and PRSP. Based on the proposed project, it is not anticipated that the configuration of the site or activities associated with the use will generate noise or other impacts that will be detrimental. To this end, a condition has been included that prohibits any sound that exceeds the City noise ordinance standards. The project will not be detrimental to the use, valuation, and enjoyment of property and improvements in the vicinity since the subject site is located within a commercial area with uses compatible to those proposed.

3. *That the site for the proposed use is of adequate topography, size, and shape to accommodate said use, as well as all yards, spaces, walls, fences, parking, loading, landscaping, and any other features necessary to allow said use in the neighborhood.*

The subject site (approximately 1.15 acres) and the restaurant (approximately 2,400 square-foot premise area) is sufficient enough in size to accommodate all of the development standards of the Regional Commercial District in the PRSP, such as setbacks, parking, walls/fences, landscaping, and signage.

4. *The site abuts streets and highways adequate in width and improvements to carry traffic generations by the proposed use.*

The subject site takes access from Rio Rancho Road, a major arterial street with two lanes for each direction going east and westbound, that is capable of handling any additional vehicle trips generated by the proposed use.

5. *That granting of such conditional use permit will not adversely affect the General Plan of the City and conforms to the provisions of the zoning ordinance.*

The General Plan land use map designates the subject site as Activity Center-Regional Center. Due to its high visibility from the SR-71 and SR-60 interchange, the General Plan envisions this area for further intensification to accommodate regional activity. It specifies that retail investment should be concentrated in “centers” clustered at crossroads that satisfy investor preferences and target the local community; and that the form of new retail development shall not negatively impact the character of surrounding districts or neighborhoods (Goals 6A.G1 and 6A.G2). The project is consistent with the General Plan as it supports the intensification of regional activity through the provision of a new restaurant. The proposed restaurant is clustered with other similar uses in the existing Pomona Ranch Plaza Shopping Center, and is similar in scale and character with surrounding uses. Therefore, the granting of the permit will not adversely affect the General Plan of the City. The project is also in compliance with the applicable code sections of the Pomona Zoning Ordinance and PRSP, and as a result, the granting of this Conditional Use Permit, subject to conditions, will not adversely affect the Zoning Ordinance.

**SECTION 4.** Based upon the above findings, the Planning Commission hereby approves Conditional Use Permit (CUP 6979-2017) subject to compliance with all applicable laws and ordinances of the City as well as the addition of the following conditions, violations of which (or failure to complete any of which) shall constitute grounds for revocation of the conditional use permit or any portion thereof:
