On behalf of the Board of Directors of Latino Art Museum, we invite your organization to help us build the **"International Yearbook and Exhibition 2017"**, in celebration of Hispanic Month. The exhibition will take place during the month of September and October 2017 with a presentation of our new Yearbook 2017 at the Latino Art Museum, 281 S. Thomas St., in the Art Colony Pomona. The exhibition will present art works from a large number of Latin American artists. During the months, the selected artists from all over the World will engage in creative activity while interacting with local residents and children through art. The artists are schedule to participate in cultural exchange programs, forums, workshops, lectures, movies and musical events to interact with students and young artists.

Authorities from the Inland Empire and Southern California including General Consuls will be invited, to the Second Saturday Art Walk and Opening Reception, September 9, 4pm-9pm. The Latino Art Museum will send a Press Release through Internet to newspapers, magazines, artists, galleries, museums and public, plus printing 1000 four color Yearbook and invitations. Latin American renowned musicians and several community organizations will support this unique event.

Our organization is in great need of support from your business. The Latino Art Museum is a non-profit organization created to promote the works of talented Latin American artists living in the United States and instill a sense of appreciation for Latino art in the minds and hearts of children and adults. The Latino Art Museum was established in **2001** to transform the Art Colony Pomona, the city with the largest and most diverse Latino population into a vibrant international city of Latin American art.

As director and founder of Latino Art Museum, I look forward working with you to make a first class **"International Yearbook and Exhibition 2017"** event. We appreciate your contribution in advance. We will be very grateful to hear your thoughts and advice on this matter. We cordially invite you to join us in supporting the **"International Yearbook and Exhibition 2017"**.

Sincerely,

Graciela Nardi

**I am writing on behalf of Kennedy Austin Foundation; our organization is committed to helping people in need through a variety of social services.**

**At this time, we are seeking a donation of \$500.00 for purchasing backpacks and school supplies for the children in the community. This is our annual school backpack giveaway. We are already receiving phone calls for this need in the community.**

**This is to help the community and the children in need of supplies, so that they may go to school with confidence for learning. This gives the children hope and the tools to become contributing members of the City of Pomona. Students with confidence are more apt to reach objectives and succeed in their goals.**
