

CITY COUNCIL RESOLUTION NO. xx-xx

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF POMONA APPROVING
CONDITIONAL USE PERMIT (CUP 4607-2016) TO DEVELOP 14 RESIDENTIAL
CONDOMINIUM UNITS LOCATED AT 1198-1236 S. SAN ANTONIO AVENUE WITHIN THE
R2-S ZONING DISTRICT**

**THE CITY COUNCIL OF THE CITY OF POMONA DOES RESOLVE AS
FOLLOWS:**

WHEREAS, on, April 7, 2017, Shahram Tork, submitted an application requesting an appeal of Conditional Use Permit (CUP 4607-2016);

WHEREAS, the property located at 1198-1236 S. San Antonio Avenue is owned by Shahram Tork and located within the R2 Low Density Multiple Family with a Supplemental Overlay zoning district;

WHEREAS, for development of ten or more residential units or new development within the Supplemental overlay district, Section .5809-13.F of the Zoning Ordinance requires that the Planning Commission consider an application for a Conditional Use Permit;

WHEREAS, the Planning Commission has, after giving notice thereof as required by law, held public hearings on January 11, 2017 and April 12, 2017, concerning the request to develop 14 attached residential condominium units and not approved a Resolution either for approval or denial; and

WHEREAS, the City Clerk has, subject to requirements of the Pomona Zoning Ordinance placed the application on the August 7, 2017 City Council agenda, for the requested appeal of non-action; and

WHEREAS, the City Council has carefully considered any pertinent testimony and the staff report offered in the case presented at the City Council meeting.

NOW, THEREFORE, BE IT HEREBY RESOLVED:

SECTION 1. The City Council exercising independent judgment finds that the proposed project will not have a significant effect on the environment. Pursuant to the Guidelines for Implementation of the California Environmental Quality Act (CEQA), the project is categorically exempt under Section 15332 of the California Public Resources Code, which exempts in-fill developments located in urbanized settings. The Planning Commission finds that the project meets the following criteria listed in the exemption: 1) the proposed project is consistent with the General Plan and Zoning Ordinance of the City; 2) the parcel is smaller than five acres; 3) the project site has no value as habitat for endangered, rare or threatened species; 4) the project will not have significant effects upon the environment; and 5) the site can adequately be served by utilities and public services.

SECTION 2. In accordance with Section .580.B of the Zoning Ordinance, the Planning Commission must make five (5) findings in order to approve Conditional Use Permit (CUP 4607-2016). Based on consideration of the whole record before it, including but not limited to, the staff report, public testimony received at the public hearing on this matter, and evidence made part of the public record, the Planning Commission hereby finds as follows:

1. *That the proposed use at the particular location will contribute to the general well being of the neighborhood or community.*

The proposed use of the subject site for residential development, specifically, the development of fourteen new residences at this particular location will contribute to the general well-being of the neighborhood and the community by expanding housing opportunities for residents by enhancing the appearance of the general area.

2. *That such use will not, under the circumstances of the particular case be detrimental to the health, safety, peace, or general welfare of persons residing or working in the vicinity or detrimental to the use, valuation or enjoyment of property or improvements in the vicinity.*

The project will not be detrimental to the health, safety, peace, or general welfare of persons residing or working in the vicinity since the project is in full conformance with the development standards and use requirements of the R-2 zone. The project will not be detrimental to the use, valuation, and enjoyment of property and improvements in the vicinity since the subject site is consistent with the surrounding properties which are zoned and planned for residential uses by the General Plan. The project, as designed, will enhance the neighborhood.

3. *That the site of the proposed use is of adequate topography, size and shaped to accommodate said use as well as all yards spaces, walls, fences, parking, loading, landscaping and any other features necessary to allow said use with the land and uses in the neighborhood and make it compatible thereto.*

The subject sit, is relatively flat and large-sized at approximately 46,550 square feet in size. Therefore, the site has the adequate topography, size and shape to accommodate the proposed residential development project. Furthermore, the site's characteristics enable the project to conform fully to the development standards of the R-2 zone while compatible with other uses in the vicinity.

4. *That the site abuts streets and highways are adequate in width and improvements to carry traffic generations typical of the proposed use.*

The subject site has street access directly to San Antonio Avenue, which is a collector street. Local access to the site is provided via Grand Avenue, a minor arterial and Ninth Street, a local street, located to the south and north, respectively, of the subject site along San Antonio Avenue. San Antonio Avenue, Grand Avenue, and Ninth Street are all of

adequate width and improvement to carry traffic generations typical of residential development projects.

5. *That granting of such conditional use permit will not adversely affect the General Plan of the city and conforms to the provisions of the zoning ordinance.*

The granting of the conditional use permit will not adversely affect the General Plan and conforms to the provisions of the Pomona Zoning Ordinance. The proposed residential use is consistent with the "Residential Neighborhood" place type as designated on the General Plan Land Use Map. The project furthers the goals and objectives of the General Plan by allowing a development that would ensure safe, family-oriented, human-scaled, walkable and livable residential neighborhoods (goal 6G.P3). The project will develop a site that is currently underutilized into an aesthetically pleasing development that contributes to the City's housing stock which the General Plan identifies as being under supplied.

SECTION 3. Based on the above findings, the City Council hereby approves Conditional Use Permit (CUP 4607-2016) for development of 14 attached single family condominium units.

SECTION 4. The City Clerk shall attest and certify to the passage and adoption of this Resolution and it shall become effective immediately upon its approval.

APPROVED AND PASSED THIS 7th DAY OF AUGUST, 2017.
