WHEREAS, the City of Pomona (“City”) is a Charter City, incorporated under the laws of the State of California, and has the power to make and enforce within its jurisdictional limits all local, police, sanitary, and other ordinances and regulations;

WHEREAS the City of Pomona has duly initiated Code Amendment (CA XX-XXX) pertaining to the Pomona Zoning Ordinance and Specific Plan Amendments (SPA XX-XXX) pertaining to the Phillips Ranch Specific Plan, Downtown Pomona Specific Plan, Mountain Meadows Specific Plan, Mission-71 Business Park Specific Plan, Kellogg Plaza Specific Plan, Pomona Corridors Specific Plan, and the Pomona Valley Hospital Medical Center (PVHMC) Specific Plan;

WHEREAS, the intent of Proposition 215 was to enable persons who are in need of marijuana for medical purposes to use it without fear of criminal prosecution under limited, specified circumstances. The proposition further provides that “nothing in this section shall be construed to supersede legislation prohibiting persons from engaging in conduct that endangers others, or to condone the diversion of marijuana for non-medical purposes”;

WHEREAS, in 2004 the Legislature enacted Senate Bill 420 (codified as California Health and Safety Code section 11362.7 *et seq.* and referred to as to the “Medical Marijuana Program” or “MMP”) to clarify the scope of Proposition 215, and to provide qualifying patients and primary caregivers who collectively or cooperatively cultivate marijuana for medical purposes with a limited defense to certain specified state criminal statutes;

WHEREAS, on April 3, 2006, City Council adopted interim Urgency Ordinance No. 4058 to establish a forty-five (45) day citywide moratorium on the establishment and operation of medical marijuana dispensaries;

WHEREAS, on May 15, 2006 the City Council adopted Interim Ordinance 4060 to extend the moratorium for an additional ten (10) months and fifteen (15) days;

WHEREAS, on March 5, 2007 the City Council adopted Interim Ordinance No. 4080 to extend the moratorium for an additional year;

WHEREAS, on November 14, 2007, the City’s Planning Commission voted to adopt Planning Commission Resolution 07-086 recommending City Council approval of Code Amendment (06-001) and Specific Plan Amendments (SPA 07-004, SPA 07-005, SPA 07-006, SPA 07-007, and SPA 07-008) to prohibit the establishment and operation of medical marijuana dispensaries citywide;

WHEREAS, on February 4, 2008, City Council passed and adopted Ordinance No. 4096 to prohibit the establishment and operation of medical marijuana dispensaries citywide;

WHEREAS, in *City of Riverside v. Inland Empire Patients Health and Wellness Center, Inc.* (2013) 56 Cal.4th 729, the California Supreme Court held that “[n]othing in the CUA or the MMP expressly or impliedly limits the inherent authority of a local jurisdiction, by its own ordinances, to regulate the use of its land” Further, in *Maral v. City of Live Oak* (2013) 221 Cal.App.4th 975, the Court of Appeal held that “there is no right – and certainly no constitutional right – to cultivate medical marijuana” The Court in *Maral* affirmed the ability of a local government entity to prohibit the cultivation of marijuana under its land use authority;

WHEREAS, on October 9, 2015 Governor Jerry Brown signed three bills into law (AB 266, AB 243, and SB 643), collectively currently known as the Medical Cannabis Regulation

and Safety Act (“MCRSA”, formerly “MMRSA”). MCRSA establishes a state-licensing scheme for commercial medical marijuana uses, while protecting local control by requiring that all such businesses must have a local license or permit to operate in addition to a state license. MCRSA allows the City to completely prohibit commercial medical marijuana activities;

WHEREAS, Business and Professions Code section 19340(a) provides that deliveries of marijuana can only be made in a city that does not explicitly prohibit it by local ordinance;

WHEREAS, on February 22, 2016 City Council adopted Ordinance No. 4217, amending Chapter 34 of the Pomona City Code to add Article IX relating to the prohibition of marijuana deliveries citywide;

WHEREAS, on November 8, 2016, California voters approved Proposition 64, titled the “Adult Use of Marijuana Act” (the “AUMA”), which became effective immediately, and enacted a state statutory scheme legalizing, controlling, and regulating the cultivation, processing, manufacturing, distribution, testing, and sale of nonmedical (i.e., recreational) marijuana, including marijuana products, for use by adults twenty-one (21) years of age and older;

WHEREAS, the AUMA sets an implementation date for commercial operations of January 1, 2018;

WHEREAS, pursuant to Business & Professions Code section 26200(a), the AUMA allows cities to ban all or part of the uses allowed under its provisions:

Nothing in this division shall be interpreted to supersede or limit the authority of a local jurisdiction to adopt and enforce local ordinances to regulate businesses licensed under this division, including, but not limited to, local zoning and land use requirements, business license requirements, and requirements related to reducing exposure to second hand smoke, or to completely prohibit the establishment or operation of one or more types of businesses licensed under this division within the local jurisdiction. (*Emphasis added*);

WHEREAS, currently pursuant to the Pomona City Code and the Pomona Zoning Ordinance, as discussed hereinabove, the City of Pomona explicitly prohibits medical marijuana dispensaries and marijuana cultivation, as well as marijuana deliveries citywide;

WHEREAS, the Federal Controlled Substance Act, 21 U.S.C § 801 et seq., continues to classify marijuana as a Schedule 1 drug, which is defined as a drug or other substance that has a high potential for abuse, that has no currently accepted medical use in treatment in the United

States, and that has not been accepted as safe for use under medical supervision. Currently, the Federal Controlled Substances Act contains no exemption for medical purposes;

WHEREAS, pursuant to Section .202 of the Pomona Zoning Ordinance, if a use of land is not specifically listed in the sections devoted to “uses permitted,” it shall be assumed that such uses are expressly prohibited unless a determination of similarity is approved pursuant to Section .501-A of the Pomona Zoning Ordinance. Commercial businesses, land uses, and activities related to marijuana, whether the marijuana is for medical or recreational purposes, are not specifically listed in sections devoted to land uses permitted under any zoning district or specific plan, and therefore have been prohibited in the City of Pomona;

WHEREAS, while the Planning Commission believes that all commercial marijuana land uses and activities are prohibited pursuant to Section .202 of the Pomona Zoning Ordinance, with the impending issuance of state licenses pursuant to the AUMA for the cultivation, processing, manufacturing, distribution, testing, and sale of nonmedical (i.e., recreational) marijuana, including marijuana products, for use by adults twenty-one (21) years of age and older, the Planning Commission recommends to the City Council to enact this Ordinance to expressly make clear that all such commercial marijuana activity is prohibited in all zoning districts and specific plans citywide and so that no state licenses for said commercial marijuana activity are issued for proposed operations or establishments in the City’s jurisdiction;

WHEREAS, “permitted uses” are specifically designated in Zoning Ordinance Sections .275 pertaining to the “PD” Planned Development Overlay District, .280.B pertaining to the “R-2” Low Density Multiple Family District, .290.B pertaining to the “R-3” Medium Density Multiple Family District, .300.B pertaining to the “R-4” High Density Multiple Family District, and .316.C pertaining to the “PRD” Planned Residential Development District; therefore, this Ordinance makes no amendments to said sections in order to maintain said explicitly enumerated permitted uses with the intent to explicitly prohibit commercial marijuana activity therein;

WHEREAS, the Planning Commission has determined that allowing commercial medicinal and recreational land uses and activities to locate in the City of Pomona would not be in the best interests of the health, safety and general welfare of the community. Citywide prohibition is proper and necessary to avoid the risks of criminal activity, degradation of natural environment;

WHEREAS, the AUMA added, among other provisions, subdivision (a)(3) to Section 11362.1 of the Health and Safety Code (which all subsequent statutory references being to such Code) making it legal under state and local law for persons twenty-one (21) years and older to possess, plant, cultivate, harvest, dry, or process not more than six (6) living marijuana plants, and possess the marijuana produced by the plants, upon the grounds of a private residence

(hereinafter “Personal Cultivation Activities”), provided such Personal Cultivation Activities comply with various requirements set forth in Section 11362.2;

WHEREAS, notwithstanding the foregoing, in subdivision (b) of Section 11362.2 the AUMA allows cities to completely prohibit persons from engaging in outdoor Personal Cultivation Activities, and while cities may not completely prohibit indoor Personal Cultivation Activities, cities may enact and enforce reasonable regulations on indoor Personal Cultivation Activities;

WHEREAS, the Planning Commission has duly considered the proposed changes to the Zoning Ordinance and Specific Plans, and the impact of the changes on the general welfare of the City and the consistency of the changes with the General Plan; and

WHEREAS, the Planning Commission for the City of Pomona finds and declares that this ordinance constitutes a valid exercise of police power in accordance with the City’s Charter, is consistent with the language and intent of the AUMA, as well as marijuana related state laws mentioned hereinabove, and furthers the health, safety, and general welfare of the residents of the City of Pomona.

WHEREAS, the Planning Commission, exercising independent judgement, has determined that pursuant to the Guidelines for the Implementation of the California Environmental Quality Act (CEQA), Code Amendment (CODE 8233-2017) and Specific Plan Amendment (SPA 8235-2017) are exempt from CEQA under Sections 15061(b)(3);

WHEREAS, the Planning Commission of the City of Pomona, after giving notice thereof as required by law, held a public hearing on September 13th, 2017 concerning Code Amendment (CODE 8233-2017) and Specific Plan Amendment (8235-2017) and carefully considered all pertinent testimony and the staff report offered in the case as present.

NOW, THEREFORE, BE IT RESOLVED by the Planning Commission of the City of Pomona as follows:

SECTION 1. Incorporation of Recitals

The Planning Commission for the City of Pomona finds and declares that the foregoing recitals are true and correct, and incorporates said recitals fully into this Resolution as substantive findings.

SECTION 2. Purpose

The purpose of this Resolution is to expressly prohibit commercial marijuana activity in the City of Pomona, whether the marijuana is for medical or recreational purposes, to the fullest extent possible allowed under California and Federal law. The City Planning Commission finds that a prohibition on all commercial marijuana activity is necessary for the preservation and protection of the public health, safety and welfare for the City and its community. The Planning Commission's prohibition of such activity is within the authority conferred upon the Planning Commission by the City's Charter and applicable state law, and is an exercise of its police powers to enact and enforce regulations for the public benefit, safety, and welfare of the City and its community.

SECTION 3. Pursuant to the State Guidelines for Implementation of the California Environmental Quality Act (CEQA), the Planning Commission has determined that the project is exempt per Section 15061(b)(3). Section 15061(b)(3) exempts projects where it can be seen with certainty that the activity does not have the potential to cause a significant direct effect on the environment. The adoption of Code Amendment (CODE 8233-2017) and Specific Plan Amendments (SPA 8235-2017), does not have the potential to cause a significant direct effect on the environment. Rather, because these amendments will prohibit commercial marijuana activity citywide, their adoption has the potential to prevent or reduce significant direct effects on the environment.
