

POMONA

ZONING AND SUBDIVISION CODE UPDATE

The City is in the process of updating Pomona's Zoning and Subdivision Codes. The original Zoning and Subdivision Codes were adopted in 1957 and have gone 60 years without a comprehensive update. This effort will shape future growth and help realize the goals set in place by the City's General Plan, and will achieve the community's vision for Pomona as a safe, vibrant, and livable community. Join us to learn how the Zoning and Subdivision Code update will help implement the General Plan!

ZONING CODE UPDATE WORKSHOP

Where: POMONA CITY COUNCIL CHAMBERS
505 S. GAREY AVENUE

When: WEDNESDAY, OCTOBER 25 at 7:00PM

***The workshop will start after the official Planning Commission agenda items have been presented.

For more information about the project and to read a review of the existing code, visit our website.
