The book will be published during the month of November 2018 and the exhibition will take place during the month of November at the Latino Art Museum, 281 S. Thomas St., in the Art Colony Pomona. The exhibition will present art works from a large number of Latin American artists. During those months, the selected Latin American artists from all over the world will engage in creative activity while interacting with local residents and children through art. The artists are scheduled to participate in cultural exchange programs, forums, workshops, lectures, movies and musical events to interact with students and young artists.

Authorities from the Inland Empire, and Southern California including General Consuls from Latin America will be invited, to the Second Saturday Art Walk and Opening Reception, November 10, 2018. 6pm-9pm The Latino Art Museum will send a Press Release through Internet to newspapers, magazines, artists, galleries, museums and public, plus printing 1000 four color "Yearbook 2018" and Invitations. Latin American renowned musicians and several community organizations will support this unique event.

Our organization is in great need of support from your business. Mayor Tim Sandoval
Pomona City Hall

Dear Mr. Mayor,

On December 2, 2018, Mothers Helping Others is throwing our 5th Annual Holiday Extravaganza in the city of Pomona. The Holiday Extravaganza is a day of food, fun, and holiday cheer for the children & families of Pomona Unified School District. The children and their families will be invited to select a brand new toy, take a picture with Santa and have a nice meal to eat at no charge to them. During the event, children will have the opportunity to win a bike or gaming device.

Mothers Helping Others mission is bridging the gap for families between sacrifice and necessity. This is a chance to give back to the community and give homeless, displaced, and at-risk children and adolescents a life-changing experience for the holidays. Events like ours give children a chance to take a break from the stressors they have to deal with in their everyday life and lets them focus on just being a kid. Supporting us helps show the children that the community truly cares about them.

Our goal is to host this fun filled day for families solely through donations. Therefore, we are reaching out to Target to request a gift card to help us with some of our big ticket items, like the Xbox, Playstation, Wii, bicycle, tablet, etc. Your donation will benefit a child whose family may not have the opportunity to give them a Christmas gift.

We would be grateful if you could support our Holiday Extravaganza. Target's donation will be tax deductible as we are a 501c3 non-profit.

Sincerely,

Jennifer Lipscomb

To Whom It May Concern:

California Panthers Youth Football & Cheer is only able to serve the kids in our community through the generous support of local sponsors. These donations give kids the opportunity to thrive within a positive team environment.

Since our organization relies heavily on the generosity of individuals or companies like yours we are writing to ask for your consideration in giving either a onetime monetary donation or a sponsorship.

Some of the ways we feel we could benefit your company through a sponsorship are:

- Advertisement through our team and affiliates
- Your company banner at games
- A booth reserved for your company at our events

We are also open to any suggestions you may have in regards to making a sponsorship work for the both of us.

Thank you in advance for your generosity.

DIAMOND RANCH HIGH SCHOOL

PANTHER

FOOTBALL

Dear Sir or Madam,

Diamond Ranch High School, often known as "DR", has been serving the communities of Diamond Bar and Pomona since its dedication on September 5th 1997. Diamond Ranch has been committed to educational excellence in conjunction with a student athletic program that is one of the best in the area. Our football program has a 100% graduation rate and over 82% of our players are accepted at 4 year colleges or universities.

To achieve this level of success, our students endure long hours of study followed by long evenings at practice. On game day, our players start school at 7:00 A.M., and continue on into the evening until the Varsity game is over around 9:00 P.M. To mitigate the toll this takes on our student athletes our boosters ensure that each athlete receives a meal so that they are well nourished.

As the Diamond Ranch Boosters, we look to our surrounding community and appeal to your establishment to partner with us in support of the Diamond Ranch High School – Panther Football Program. As a sponsor, we ask that your establishment provide meals for ninety student athletes on game day. (Meals are picked up by booster representatives between 2:15 P.M. and 3:15 P.M.)

As a DRHS Panther Football sponsor, your generosity is displayed prominently in our football game program which is circulated throughout the entire football season. Three thousand local fans who come to watch our games not only see your establishment in the program but also hear of your donation through our in game "shout outs". This is a fantastic way for your establishment to reach out to our local community by showing your support and commitment to local student athletics. In addition, if you have a child participating in the game, you will receive a one page collage of your child in the program that you can help design.

The DRHS Boosters, along with the entire team, encourage our fans and their families to patronize your establishment and to thank you personally for your continued support of our football program.

For our 2018 Season, we will be playing the following high schools with the possibility of CIF championship games to follow. Please consider sponsoring a pre-game meal for one of the following games:
