Dear Honorable Mayor Sandoval and Honorable City Council Members:

**Re: Request for Finding of Public Benefit to Sponsor a Conference, "Pomona Reawakening"**

An organization I represent, Progressive Christians Uniting, is the organizing sponsor for a conference on February 18, 2019, entitled, "Pomona Reawakening: Celebrating Milestones and Taking It to the Next Level". This event's organizers and keynoters understand that Pomona City leadership has taken significant steps forward in backing SB54, adopting Pomona's *California Values Act Ordinance*, officially joining the Compassionate Cities movement, creating the *Hope for Home* service center for homeless neighbors, plus other socially sensitive accomplishments. Such steps can be celebrated and built upon while remaining challenges are addressed.

Keynoters at the conference will be Mayor Tim Sandoval and Mr. Azim Khamisa. Mr. Khamisa has received national recognition for his remarkable compassion in the wake of a devastating personal tragedy.\* The conference will feature workshop panels on topics such as homelessness, immigration, the justice system, youth, affordable housing, and sustainability.

The purpose of the gathering is to foster a more informed, engaged community with a strengthened heart for just change and social improvement. The event targets civic-minded residents and friends of Pomona. The venue is Temple Beth Israel, starting at 8:30 a.m. and ending at midday.

My request is for City Council to provide \$3,000 of financial support to this event and thereby affirm and extend the City's commitment to the Charter of Compassion. The goal of the conference is to explore ways to improve our ability as residents to hear, care, and do something about the concerns and sufferings of our neighbors. Mr. Khamisa exhibits the example of leadership that we can personally apply through volunteerism, advocacy, and everyday decisions to be compassionate toward one another in the face of disagreement. This compassionate approach to civic interaction is now expressed at the top of each agenda for City Council meetings, and the conference will hold to this standard.

My expectation is that this event will embody - to a high degree - the function of human relations commissions that exist in cities and counties throughout our region. I have attached a completed Donation and Finding of Public Benefit Request form. I hope the Mayor and Council can each contribute a few hundred dollars to support this event, and that other projects and events building upon compassion will become part of the annual City program budget.

Sincerely,

Dick Bunce

Dear Cristina:

On behalf of the Board of Directors of Latino Art Museum, we invite your organization to help us build the "Yearbook 2018". The book will be published during the month of November 2018 and the exhibition will take place during the month of November at the Latino Art Museum, 281 S. Thomas St., in the Art Colony Pomona. The exhibition will present art works from a large number of Latin American artists. During those months, the selected Latin American artists from all over the world will engage in creative activity while interacting with local residents and children through art. The artists are scheduled to participate in cultural exchange programs, forums, workshops, lectures, movies and musical events to interact with students and young artists.

Authorities from the Inland Empire, and Southern California including General Consuls from Latin America will be invited, to the Second Saturday Art Walk and Opening Reception, November 10, 2018. 6pm-9pm The Latino Art Museum will send a Press Release through Internet to newspapers, magazines, artists, galleries, museums and public, plus printing 1000 four color "Yearbook 2018" and Invitations. Latin American renowned musicians and several community organizations will support this unique event.

Our organization is in great need of support from your business. The Latino Art Museum is a non-profit organization created to promote the works of talented Latin American artists living in the United States and instill a sense of appreciation for Latino art in the minds and hearts of children and adults. The Latino Art Museum was established in 2001 to transform the Art Colony Pomona, the city with the largest and most diverse Latino population into a vibrant international city of Latin American art.

As director and founder of Latino Art Museum, I look forward working with you to make a first class "Yearbook 2018", invitations and event. We appreciate your contribution in advance. Your effort will be appreciated and I will be very grateful to hear your thoughts and advice on this matter. We cordially invite you to join us in supporting the "Yearbook 2018" and the exhibition.
