---

**DATE:** October 22, 2018

**TO:** Cultural Arts Commission

**FROM:** Mario Suarez, AICP Development Services Director

**SUBJECT:** Public Arts Project List

### **SUMMARY**

**Recommendation:** Staff recommends the Cultural Arts Commission (CAC) review the attached *Public Arts Project List* in an effort to prioritize and start moving projects forward as soon as possible.

**Previous Action(s):** Various at previously held CACCAC meetings.

### **PROJECT DESCRIPTION**

Attached is a list of projects assembled from 2017 and 2018 Cultural Arts Agendas. The list is tentative and will be updated at each meeting. The purpose of the list is to organize and prioritize projects in moving them forward and assisting with budgetary purposes in managing City funds. Additional processing related to requests for proposals (RFPs) will also be organized and date set for preparation and release as the list is organized and prioritized.

This is the first step in the process as we formalize and organize the Cultural Arts Program. It does not include private project submissions such as various applicant murals.
