This mural is the vision of Lila O ' Girl Scout Gold Award project. Lila wanted to use art to engage the Pomona community. Starting in Mid October 2018, Lila and the dA held " Wall Flower" Art Workshops in Hamilton Park and the dA Center for the Arts. Pomona residents of all ages were invited to paint a petal to add to the community mural. Over 60 Pomona residents participated. Lila selected muralist and dA Art Leader Chris Toovey to paint the mural on to the wall. The petal participants will be invited to watch the process and to help paint the mural.
