Re: Request for Public Benefit

Honorable Mayor and City Councilmembers:

The Historical Society of Pomona Valley would like to request \$750.00 in support of our Fiesta del Rancho San Jose to be held March 23rd. We will be celebrating the Rancho history of Pomona through local children's Ballet Folklórico and Mariachi groups. There will be tours of the Casa Primera and other presentations and activities from local organizations such as the dA Center for the Arts, high school theater groups, Indigenous Peoples groups, and more as well as educational activities to increase civic pride and promote interest and awareness of our fine Pomona history. There is a great need for better civic engagement in our community, and we believe that better awareness of our history will lead to a greater number of concerned and participating citizens.

In the past, Pomona held a Fiesta every March to commemorate the Rancho San Jose, out of which Pomona and several other neighboring cities were born. Our Fiesta will be a vibrant celebration of the founding of the Rancho and of the Californios and Indigenous peoples who established our community. Our goal is to reach out and engage historically marginalized members of the community, particularly our Indigenous and Latino/a neighbors.

This event will be free to the public to encourage a wider audience. We will use city funds to support scholarships and costumes for the children's' Mariachi and Ballet Folklórico groups, and honorariums for our guest speakers. We will also be offering awards for an art contest and scavenger hunt. Our long-term goal is to invest in future events like this to benefit other community groups and encourage residents to be proud of the history here. We believe that such an effort will lead to greater involvement, civic pride, and political awareness on the part of the citizens of the Pomona Valley.

Sincerely yours,

Our organization provides (free of charge) clothing, books, and dental care to poor and low income families of the Pomona Valley. Most of our student/clients are referred to us by Pomona USD. These students must be enrolled and are mostly elementary school age. Our clothing program is called Operation School Bell. We also sponsor a dental center and provide books for kids, hygiene kits and 'teddy' bears for kids who have or are experiencing trauma. We were successful in supporting 1,200 students last year.

The funds will be used to purchase clothing, and miscellaneous hygiene supplies. Our website: alpv.org.

What is the benefit to the City of Pomona? (An expenditure of public funds must be for the primary benefit of the public agency that is making the expenditure.)

ALPV directly supports the City of Pomona's Promise Initiatives, Core Values and Consolidated Plan Goal of a suitable living environment by providing a 'quality of life' service to low and moderate income families.

Our programs help reduce inherent risk factors to Pomona's children by enhancing self-esteem, promote learning and reduce academic failure.

Dear Pomona Optimist Club Supporter:

The Pomona Optimist Club has proudly been a volunteer service club sponsoring youth projects for sixty-four (64) years. Every fundraising project we host raises funds to support the many youth programs we sponsor throughout the year. We would appreciate your support in our upcoming Pomona Optimist Club #15140 event, upon your donation we will provide you with a proof of donation with our Tax ID #.

Our upcoming event we will be hosting a "Tea Party for the Soul" for young women of Pomona who will be attending college after high school. The event will focus on preparing young women for life after high school, the challenges they will face in college, and for some, living away from home for the first time.

It will be an afternoon filled with special guest speakers and valuable information to last a lifetime. Each student will be given a lovely TEA CUP, spring hat, white gloves, pearls and a special book (Words for the Soul – a collection of authors with positive messages) to take with them to college to reflect back when challenges arise. Lunch will be provided.

I believe that it is our duty as educators to prepare our young women of today to have a voice and be aware of the challenges they will face as they enter the adult world and become independent, well-adjusted young women. If we provide these women with the necessary tools to be successful we have accomplished our goal as educators.

We appreciate your support in the following categories:

RE: Letter of Request for Finding of Public Benefit
Request by: Community Services Division
City event: 2019 Summer Movies in the Park
Amount: \$5,000

Honorable Mayor and Members of the City Council,

The Community Services Division and Day One wish to thank City Council for the opportunity to submit a Finding of Public Benefit to request \$5,000 to support the 4th annual **Movies in the Park** summer event. Our goal is to enhance the quality of life, strengthen community, and act as a source of community pride to promote positive, safe activities in our parks through **FREE** and **FAMILY-FRIENDLY** activities.

Since 2015, Movies in the Park is a free series of outdoor film screenings held each summer in parks in each District. Since its inception, the event has grown rapidly and has become a summertime staple for the community. And watching a movie while lounging poolside at Ganesha Park has been a popular favorite for families!

Community Services is dedicated to providing fun-filled evenings under the stars and your support of \$5,000 will help pay for movie licensing fees, higher quality video and sound equipment, and other related expenses. Higher quality equipment that is simple to operate, easy to transport and safe-guard are key elements for a smooth, efficient process of set-up, presentation and tear-down. We look forward to partnering with City Council to provide park goers with opportunities to gather, connect, and play through Movies in the Park.

We thank you for your time and consideration.

Sincerely,

Mike Osoff
