NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Pomona as follows:

SECTION 1. The City Council, exercising independent judgment, finds that the project will not have an adverse impact on the environment. Pursuant to California Environmental Quality Act, Article 5, Section 15061(b)(3), CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. The Change of Zone from M-1 (Light Industrial) to R-1-6,000, (Single-family residential) would not create any significant environmental impacts. The Change of Zone would not create any public health or safety hazards and would not have a significant impact on the resources or services within this area, such as water, sanitary services, surrounding roadways and intersections, and surrounding uses.

SECTION 2. Based on consideration of the whole record before it, including but not limited to, the staff report, public testimony received at the public hearing on this matter, and evidence made part of the public record, the City Council hereby finds that the proposed Change of Zone is in the

public interest and in the interest of the furtherance of the public health, safety, and welfare and is consistent with the goals, objectives, policies, and programs of the Pomona General Plan.

SECTION 3. Based upon the above findings, the City Council of the City of Pomona hereby approves Change of Zone (ZONE 11492-2019) from M-1 (Light Industrial) to R-1-6,000 (Single Family Residential) on a property located at 261 S. Caswell Street, Assessor's Parcel Number 8335-003-034, as shown on attachments Exhibits A and B.

SECTION 4. The City Clerk shall attest and certify to the passage and adoption of this Ordinance and it shall become effective thirty (30) days after its adoption.

APPROVED AND ADOPTED THIS 15TH DAY OF JULY, 2019.
