The Standards and Training for Corrections (STC) program, is a division of the Board of State and Community Corrections (BSCC). The purpose of the STC program is to provide funding to meeting State required training/certification requirements for Police Staff. The program accomplishes this by developing selection and training standards, providing a course certification and training support. In addition, participating agencies are allocated funding through the STC program.

As such, staff is recommending an increase in revenue estimates of \$13,200 and a corresponding increase in expenditures for the STC grant to cover staff training and overtime for FY 2019-20, are therefore requested:
