1. PROBLEM STATEMENT

The City of Pomona, like many California cities, suffered financially due to the 2010 recession. Our sworn positions decreased from nearly 200 officers to 160. Our Traffic Services Bureau shrunk from 14 sworn officers to 8 sworn officers. This reduction has caused a decrease in officers proactively addressing traffic issues and DUI drivers. For several years now, our traffic officers have been tasked with backfilling Patrol deployment shortages and handling calls for service involving traffic collisions. This greatly reduced the time traffic officers have available to address hazardous drivers, pedestrian, and bicycle safety issues. Due to the reduction in sworn officers and lack of available time for directed traffic enforcement, fatal collisions have steadily increased. Since 2012, Pomona has had no less than 10 fatal accidents per year.

In 2015, we documented 1,950 traffic collisions that resulted in 532 injury collisions and 755 persons injured. By 2018, this number decreased to 1,871 traffic collisions, and the number of injury collisions decreased to 520 with 736 persons injured. Hit and run collisions increased from 487 in 2015 to 492 in 2018, an increase of 1%. In 2015, we had 82 traffic collisions involving pedestrians, resulting in 74 injuries. In 2018, these numbers decreased to 73 traffic collisions involving pedestrians with 64 resulting injuries. This is a 10% decrease in pedestrian collisions and a 13.5% decrease in pedestrian collision injuries. Bicycle collisions decreased from 66 in 2015 to 42 in 2018. This is a 36% decrease. Bicycle injuries decreased during this same time period. 2015 saw 49 injuries and fell to 36 during 2018, a decrease of 26.5%.

Between 2015 and 2018, we have averaged over 14 fatalities a year as a result of traffic collisions. In 2017, we had 7 pedestrian fatalities and that number increased in 2018 to 10 pedestrian fatalities. In 2017 we had 0 bicycle fatalities; we maintained a total of 0 bicycle fatalities in 2018. Motorcycle fatalities have dropped from 1 in 2017 to 0 in 2018.

We recognize several traffic trends occurring in Pomona. First, our population is growing which means there is more vehicle traffic travelling the roads of Pomona. With this increase, there arises a greater likelihood for collisions to occur. Second, many new residential developments encourage living in denser neighborhoods and downtown living styles which create heavier areas of pedestrian traffic. Third, we have a large and increasing homeless population that traverses our streets and roadways at all hours creating additional bicycle and pedestrian traffic.

The Pomona Police Department will continue to aggressively address behaviors that cause traffic collisions; speed, DUI, unsafe turning movements and distraction. We seek to reduce pedestrian and bicyclist actions that put themselves in harm's way and also endanger the motoring public. We believe that a well-formulated traffic enforcement plan to address every angle of behavior, combined with appropriate education campaigns and press releases, will even further reduce the statistics we have been seeing.

B. Objectives:	Target Number
1. Issue a press release announcing the kick-off of the grant by November 15. The kick-off press releases and media advisories, alerts, and materials must be emailed to the OTS Public Information Officer at pio@ots.ca.gov, and copied to your OTS Coordinator, for approval 14 days prior to the issuance date of the release.	1
2. Participate and report data (as required) in the following campaigns, National Walk to School Day, National Teen Driver Safety Week, NHTSA Winter Mobilization, National Distracted Driving Awareness Month, National Motorcycle Safety Month, National Bicycle Safety Month, National Click it or Ticket Mobilization, NHTSA Summer Mobilization, National Child Passenger Safety Week, and California's Pedestrian Safety Month.	10
3. Develop (by December 31) and/or maintain a "HOT Sheet" program to notify patrol and traffic officers to be on the lookout for identified repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. Updated HOT sheets should be distributed to patrol and traffic officers monthly.	12
4. Send law enforcement personnel to the NHTSA Standardized Field Sobriety Testing (SFST) (minimum 16 hours) POST-certified training.	2
5. Send law enforcement personnel to the NHTSA Advanced Roadside Impaired Driving Enforcement (ARIDE) 16 hour POST-certified training.	2
6. Send law enforcement personnel to the Drug Recognition Expert (DRE) training.	1
7. Conduct DUI/DL Checkpoints. A minimum of 1 checkpoint should be conducted during the NHTSA Winter Mobilization and 1 during the Summer Mobilization. To enhance the overall deterrent effect and promote high visibility, it is recommended the grantee issue an advance press release and conduct social media activity for each checkpoint. For combination DUI/DL checkpoints, departments should issue press releases that mention DL's will be checked at the DUI/DL checkpoint. Signs for DUI/DL checkpoints should read "DUI/Driver's License Checkpoint Ahead." OTS does not fund or support independent DL checkpoints. Only on an exception basis and with OTS pre-approval will OTS fund checkpoints that begin prior to 1800 hours. When possible, DUI/DL Checkpoint screeners should be DRE- or ARIDE-trained.	15
8. Conduct DUI Saturation Patrol operation(s).	40
9. Conduct Traffic Enforcement operation(s), including but not limited to, primary collision factor violations.	43
10. Conduct highly publicized Distracted Driving enforcement operation(s) targeting drivers using hand held cell phones and texting.	8
11. Conduct highly publicized Motorcycle Safety enforcement operation(s) in areas or during events with a high number of motorcycle incidents or collisions resulting from unsafe speed, DUI, following too closely, unsafe lane changes, improper turning, and other primary collision factor violations by motorcyclists and other drivers.	12
12. Conduct Nighttime (1800-0559) Click It or Ticket enforcement operation(s).	2

15. Conduct Know Your Limit campaigns with an effort to reach members of the community.	24
3. METHOD OF PROCEDURE	
A. Phase 1 – Program Preparation (1st Quarter of Grant Year)	
<ul style="list-style-type: none"> The department will develop operational plans to implement the "best practice" strategies outlined in the objectives section. All training needed to implement the program should be conducted this quarter. All grant related purchases needed to implement the program should be made this quarter. 	

- In order to develop/maintain the “Hot Sheets,” research will be conducted to identify the “worst of the worst” repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. The Hot Sheets may include the driver’s name, last known address, DOB, description, current license status, and the number of times suspended or revoked for DUI. Hot Sheets should be updated and distributed to traffic and patrol officers at least monthly.
- Implementation of the STEP grant activities will be accomplished by deploying personnel at high collision locations.

Media Requirements

- Issue a press release announcing the kick-off of the grant by November 15, but no earlier than October 1. If unable to meet the November 15 date, communicate reasons to your OTS Coordinator. The kick-off press releases and any related media advisories, alerts, and materials must be emailed for approval to the OTS Public Information Officer at pio@ots.ca.gov, and copied to your OTS Coordinator, 14 days prior to the issuance date of the release.

B. Phase 2 – Program Operations (Throughout Grant Year)

- The department will work to create media opportunities throughout the grant period to call attention to the innovative program strategies and outcomes.

Media Requirements

- Send all grant-related activity press releases, media advisories, alerts and general public materials to the OTS Public Information Officer (PIO) at pio@ots.ca.gov, with a copy to your OTS Coordinator. The following requirements are for grant-related activities and are different from those regarding any grant kick-off release or announcement.
 - If an OTS-supplied, template-based press release is used, there is no need for pre-approval, however, the OTS PIO and Coordinator should be copied when at the same time as the release is distributed to the press.
 - If an OTS-supplied template is not used, or is substantially changed, a draft press release shall be sent to the OTS PIO for approval. Optimum lead-time would be 10 days prior to the release distribution date, but should be no less than 5 working days prior to the release distribution date.
 - Press releases reporting the immediate and time-valued results of grant activities such as enforcement operations are exempt from the recommended advance approval process, but still should be copied to the OTS PIO and Coordinator when the release is distributed to the press.
 - Activities such as warrant or probation sweeps and court stings that could be compromised by advanced publicity are exempt from pre-publicity, but are encouraged to offer embargoed media coverage and to report the results.
- Use the following standard language in all press, media, and printed materials: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
- Email the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator at least 30 days in advance, a short description of any significant grant-related traffic safety event or program so OTS has sufficient notice to arrange for attendance and/or participation in the event.
- Submit a draft or rough-cut of all printed or recorded material (brochures, posters, scripts, artwork, trailer graphics, etc.) to the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator for approval 14 days prior to the production or duplication.
- Space permitting, include the OTS logo, on grant-funded print materials; consult your OTS Coordinator for specifics and format-appropriate logos.
- Contact the OTS PIO or your OTS Coordinator, sufficiently far enough in advance of need, for consultation when deviation from any of the above requirements might be contemplated

C. Phase 3 – Data Collection & Reporting (Throughout Grant Year)

- Invoice Claims (due January 30, April 30, July 30, and October 30)
- Quarterly Performance Reports (due January 30, April 30, July 30, and October 30)
 - Collect and report quarterly, appropriate data that supports the progress of goals and objectives.

- Provide a brief list of activity conducted, procurement of grant-funded items, and significant media activities. Include status of grant-funded personnel, status of contracts, challenges, or special accomplishments.
- Provide a brief summary of quarterly accomplishments and explanations for objectives not completed or plans for upcoming activities.
- Collect, analyze and report statistical data relating to the grant goals and objectives.

4. METHOD OF EVALUATION

Using the data compiled during the grant, the Grant Director will complete the “Final Evaluation” section in the fourth/final Quarterly Performance Report (QPR). The Final Evaluation should provide a brief summary of the grant’s accomplishments, challenges and significant activities. This narrative should also include whether goals and objectives were met, exceeded, or an explanation of why objectives were not completed.

5. ADMINISTRATIVE SUPPORT

This program has full administrative support, and every effort will be made to continue the grant activities after grant conclusion.

However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.
4. The prospective primary tier participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms covered transaction, civil judgment, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded, as used in this clause, are defined in 2 CFR parts 180 and 1200. BUY AMERICA ACT

(applies to subrecipients as well as States)

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE

(applies to subrecipients as well as States)

The State and each subrecipient will not use 23 U.S.C. Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

LAW ENFORCEMENT AGENCIES

All subrecipient law enforcement agencies shall comply with California law regarding profiling. Penal Code section 13519.4, subdivision (e), defines “racial profiling” as the “practice of detaining a suspect based on a broad set of criteria which casts suspicion on an entire class of people without any individualized suspicion of the particular person being stopped.” Then, subdivision (f) of that section goes on to provide, “A law enforcement officer shall not engage in racial profiling.”
