

## **HPC RESOLUTION NO. XXXX**

**A RESOLUTION OF THE HISTORIC PRESERVATION COMMISSION OF THE CITY OF POMONA, CALIFORNIA APPROVING A MAJOR CERTIFICATE OF APPROPRIATENESS (MAJCOA 12895-2019) TO ALLOW TO CONSTRUCT A 612 SQUARE-FOOT ADDITION, A 175 SQUARE-FOOT REMODEL AND 200 SQUARE-FOOT WOOD DECK ON A PROPERTY LOCATED AT 320 LINCOLN AVENUE IN THE LINCOLN PARK HISTORIC DISTRICT.**

**THE HISTORIC PRESERVATION COMMISSION OF THE CITY OF POMONA DOES RESOLVE AS FOLLOWS:**

**WHEREAS**, the subject property is a contributing structure, located within the Lincoln Park Historic District, which was designated as a historic district by the Pomona City Council on August 2, 1999 (APN: 8339-010-008);

**WHEREAS**, the applicant, Walter Faustlin, has submitted a Major Certificate of Appropriateness (MAJCOA 12895-2019) to construct a 612 square-foot addition, 175 square-foot remodel and 200 square-foot wood deck on a property located at 320 Lincoln Avenue;

**WHEREAS**, addition to primary building within a designated historic district requires the Historic Preservation Commission to approve a Major Certificate of Appropriateness prior to the issuance of building permits;

**WHEREAS**, the proposed addition is located at the rear of the subject property;

**WHEREAS**, the Historic Preservation Commission must make findings as described in Section .5809-13.F.6 of the Zoning Ordinance to approve a Major Certificate of Appropriateness for major alterations on a property located in a historic district;

**WHEREAS**, the Historic Preservation Commission of the City of Pomona, has, after giving notice thereof as required by law, held a public hearing on December 4, 2019, concerning the requested Major Certificate of Appropriateness (MAJCOA 12895-2019); and

**WHEREAS**, the Historic Preservation Commission has carefully considered all pertinent testimony and the staff report offered in the case presented at the public hearing.

**NOW THEREFORE, BE IT HEREBY RESOLVED** by the Historic Preservation Commission of the City of Pomona, California, as follows:

**SECTION 1.** The Historic Preservation Commission hereby determines that, Pursuant to the Guidelines for Implementation of the Environmental Quality Act (CEQA), the proposed project meets the criteria for a Class 1 (Existing Facilities), Section 15301 Categorical Exemption per Section 15301 (e)(1). The proposed project meets the exemption requirement as in that the project will not result in an increase of more than fifty percent of the floor area of the structures before the addition, or 2,500 square feet, whichever is less.

**SECTION 2.** Section .5809-13.F.6 of the Zoning Ordinance requires the Historic Preservation Commission to make findings to approve a Major Certificate of Appropriateness. The Historic Preservation Commission hereby makes the following findings:

- a. *The proposed change will not adversely affect any significant historical, cultural, architectural, or aesthetic features of the concerned property or the historic district in which it is located.*

The addition, which is proposed to the rear of the existing residence, will not adversely affect any significant historical, cultural, architectural, or aesthetic features of the concerned property or the historic district in which it is located in that the addition will include features and materials that are consistent with the existing. Furthermore, the architectural style of the addition is consistent with the English Tudor Revival architecture and includes a deep pitched roof; wood casement windows and smooth cementitious stucco siding.

- b. *The proposed change is compatible in architectural style with the existing adjacent contributing structures in an historic district.*

The project will remain a single story and the exterior of the home will maintain its exterior smooth cementitious stucco siding; new roofing will be of same material, and windows will be of same proportion and material as the existing home. The proposed work is consistent in material, architectural style, and color to the existing residence. Chester Place contains a wide range of architectural styles in addition the Ranch Style such as Spanish Eclectic, Cottage, Craftsman Bungalow, and Tudor Revival; therefore, the proposed change will not detract from the adjacent contributing structures in the Lincoln Park Historic District.

- c. *The proposed change is consistent with the architectural style of the building as specified in Section .5809-13 F 5 of the Zoning Ordinance.*

The proposed project, as conditioned, is consistent with the architectural style of the main building as specified in Section .5809-13.F.5 of the Zoning Ordinance. The addition includes a new roof, which meets the minimum pitch requirement of 3:12, the new siding will match the existing siding and the new windows will be casement windows, which is typical to the English Tudor Revile architecture style. Furthermore, the project has been conditioned that the ornamental feature at the top of plate (decorative half-timbering) shall be added to the west elevation.

- d. *The scale, massing, proportions, materials, textures, fenestration, decorative features, and details proposed are consistent with the period and/or compatible with adjacent structures.*

The style of the proposed addition, as conditioned, will be compatible with the existing residence in terms of roof pitch, materials and proportion of windows and doors, and

exterior facade. The project is compatible with adjacent structures and will not negatively impact the architectural style of the adjacent structures.

- e. In case of demolition, the applicant must show that demolition of the subject structure(s) will not adversely affect a cultural, architectural, or aesthetic features of the concerned property or the historic district in which it is located.*

There are no proposed demolitions as part of this project.

**SECTION 3.** The Historic Preservation Commission hereby approves Major Certificate of Appropriateness (MAJCOA 12895-2019) to construct a 612 square-foot addition, a 175 square-foot remodel and 200 square-foot wood deck on a property located at 320 Lincoln Avenue, with the following conditions:

1. The subject property shall be developed and/or used in the manner requested and shall be in substantial conformity with the plans approved by the Historic Preservation Commission on December 4, 2019, in accordance with the revisions and/or additional conditions specifically required in this resolution of approval.
2. This approval shall lapse and become void if the privileged authorized is not utilized or where some form of construction pursuant to issuance of a building permit has not commenced within four (4) years from the date of approval (December 4, 2023).
3. Within four (4) years from the date of approval, plans shall be submitted into the Building and Safety Division for plan check review for the addition.
4. The applicant shall include copies of all approved resolutions related to the project, which shall be placed on the title sheet of construction plans prior to plan check submittal.
5. In the event that conditions imposed by the Historic Preservation Commission are inconsistent with provisions of the California Code of Regulations, Title 24 (also known as the California Building Standards Code) or any uniform construction code applicable within this jurisdiction, such conditions of the Historic Preservation Commission shall be waived in favor of such code.
6. The ornamental feature at the top of plate (decorative half-timbering) shall be added to the west elevation.

**SECTION 4.** The Secretary shall certify to the adoption of this Resolution and forward the original to the City Clerk.
