SUBJECT: 2020 Urban Water Management Plan Update

Dear Amy J. Bodek:

The City of Pomona is currently in the process of reviewing its Urban Water Management Plan (UWMP) for the upcoming 2020 Update. The Urban Water Management Planning Act requires every urban water supplier, which provides water directly or indirectly to more than 3,000 customers or supplying more than 3,000 acre-feet of water annually, to prepare and adopt an UWMP and periodically update that plan at least once every five years. The UWMP is a planning document and a source document to direct urban water suppliers to evaluate and compare their water supply and reliability to their existing water conservation efforts. The City of Pomona is currently in the process of preparing the 2020 UWMP Update.

As an urban water supplier, the City of Pomona is required pursuant to Section 10620(d)(3) of the California Water Code to coordinate with water management agencies, relevant public agencies, and other water suppliers regarding the preparation of the UWMP. Pursuant to Section 10621(b) of the California Water Code, the City of Pomona will be reviewing the UWMP and will make amendments or changes, as appropriate.

In addition, the City of Pomona will hold a Public Hearing on **June 21, 2021 at 7:00 PM** regarding the City of Pomona's draft 2020 UWMP Update. The location of the Public Hearing will be in the City's Council Chambers at 505 S. Garey Avenue in the City of Pomona. In the event an in-person public meeting is not able to be conducted, the Public Hearing will be conducted via

teleconference Zoom webinar. Additional information regarding the Public Hearing, including the draft 2020 UWMP Update, will be available from the following link:
<https://pomona.legistar.com/Calendar.aspx>

The City of Pomona invites you to submit comments in anticipation of the development of our 2020 UWMP Update. Please provide written comments within the next 30 days to the City of Pomona. The City of Pomona also invites all interested parties and groups to attend the Public Hearing and present their comments.

Sincerely,

As an urban water supplier, the City of Pomona is required pursuant to Section 10620(d)(3) of the California Water Code to coordinate with water management agencies, relevant public agencies, and other water suppliers regarding the preparation of the UWMP. Pursuant to Section 10621(b) of the California Water Code, the City of Pomona will be reviewing the UWMP and will make amendments or changes, as appropriate.

In addition, the City of Pomona will hold a Public Hearing on **June 21, 2021 at 7:00 PM** regarding the City of Pomona's draft 2020 UWMP Update. The location of the Public Hearing will be in the City's Council Chambers at 505 S. Garey Avenue in the City of Pomona. In the event an in-person public meeting is not able to be conducted, the Public Hearing will be conducted via

teleconference Zoom webinar. Additional information regarding the Public Hearing, including the draft 2020 UWMP Update, will be available from the following link:

SUBJECT: 2020 Urban Water Management Plan Update

Dear Mr. McVicker:

The City of Pomona is currently in the process of reviewing its Urban Water Management Plan (UWMP) for the upcoming 2020 Update. The Urban Water Management Planning Act requires every urban water supplier, which provides water directly or indirectly to more than 3,000 customers or supplying more than 3,000 acre-feet of water annually, to prepare and adopt an UWMP and periodically update that plan at least once every five years. The UWMP is a planning document and a source document to direct urban water suppliers to evaluate and compare their water supply and reliability to their existing water conservation efforts. The City of Pomona is currently in the process of preparing the 2020 UWMP Update.

As an urban water supplier, the City of Pomona is required pursuant to Section 10620(d)(3) of the California Water Code to coordinate with water management agencies, relevant public agencies, and other water suppliers regarding the preparation of the UWMP.
