

# Historic Preservation Commission

## Staff Report

September 1, 2021

Item No.: 11

**SUBJECT:** Discussion of Historic Preservation Ordinance Updates

**PROJECT PLANNER:** Geoffrey Starns, AICP, LEED AP BD+C, Historic Preservation Supervisor

---

Staff has found several items in the historic preservation ordinance and the tree preservation program over the last few months that need to be fixed. Staff is looking for direction from the Commission on how they want to proceed to update the historic preservation ordinance and tree preservation program.
