PUBLIC COMMENTS

PUBLIC PARTICIPATION

MINDY SONG – Hello, I'd like to submit a comment in regards to the construction occurring at 1422-1428 W. 10th Street, Pomona CA. Issues of concerns with this construction:

- Times of construction. The notice sent by owner/builder notes 7AM-5PM. They have consistently gone outside these times for construction (i.e. Tuesday (9/28) started at 6AM, Wednesday, (9/29) continued past 6PM, etc.)
- Noise and seismic activity of construction. My entire house is shaking, will now need to look at the structural damage due to it. The noise level is also extremely loud in the early morning.
- Owner/builders parking in no parking zone on the street.
 - Videos in regards to noise/shaking:

VERONICA GALLEGOS – Mayor and City Councilmembers,

My name is Veronica Gallegos and my family and I have lived in Pomona for six years. We live in District 3, close to Alcott. I am reaching out to you because I don't know who else to reach out to. The old landlord of our home sold the property in April. From one day to the next, the new landlord raised our rent from \$850 a month to \$1,295 a month which we began paying in May. It has been difficult to pay the rent especially with the pandemic but we have been paying. We have received a letter letting us know that the rent will be raised another \$235 a month or another 16.8% beginning in October. I reached out to PUSH and they informed us that rent can be raised up 8.6% in many cases or 5% more of the inflation tax in a year's time and even if the property has been sold, the new landlord just can't raise the rent like that. They guided us to write a letter but we have come to you because you have the power to protect us from these illegal increases and you haven't made any law that controls rent for this city. We beg you that you do the most possible to help us, protect us and pass a law that controls rent.

Sr Alcalde y estimados concejales,

Mi nombre es Veronica Gallegos y mi familia y yo tenemos 6 años viviendo en Pomona. Vivimos en distrito 3, muy cerca de Alcott. Escribo porque no sé adónde más dirigirme. El viejo dueño de nuestra vivienda vendió en abril y de la noche a la mañana la nueva dueña nos subió de 850 al mes al 1295 al mes, lo cual empezamos a pagar en mayo. Con dificultad hemos ido pagando pero no ha sido nada facil con todo y pandemia. Ahora nos han mandado otra carta que quieren subir otra vez, esta vez \$235 dolares al mes o sea 16.8%, a partir de este mes de octubre. Me comuniqué con PUSH y nos informan que en la mayoría de los casos, solo se puede subir 8.6%, o sea 5% más la tasa de

inflación, en el transcurso de un año, y el hecho que se haya vendido la propiedad no quiere decir que la nueva dueña nos pueda subir adrede. Nos guiaron a mandar una carta pero a la vez recurrimos a Uds porque Uds son los que tienen el poder de protegernos de estos incrementos ilegales y aun así, no han hecho ninguna ley de control de renta para esta ciudad. Pedimos que porfavor hagan lo posible para ayudarnos, que nos protejan y que pongan una ley de control de rentas y una junta de rentas con poder de hacer cumplir la ley. Att. Veronica Gallegos 909-272-8850

BEN WOOD – Mr. Mayor and Members of the Council:

For months our Center and our volunteers from PUSH have been helping doing outreach so that tenants in our community know their rights. We have helped tenants file rental assistance applications and connected them to legal resources. We have activated people to lobby to extend the protections against eviction. And yet we hit the eviction cliff anyways. All last week we were swamped with tenants in all kinds of situations, but the most common were rent increases. Some were illegal, as high as 64%, and others were legal. But even the legal increases of 8.6% under the TPA are too much for our community members to bear. You have the power to protect our tenants from this kind of abuse. You have the power to set rent increases to a reasonable limit and create a rent board with the authority to check this savage capitalism that is tearing our community apart. Please do so, or we will soon be dealing with a Pomona that is unrecognizable as the safe and vibrant community that it should be.

ISABEL HERRERA – Hi my name is Rosaura Virgen and I live in Pomona, California in Los Angeles County. I write to you because the landlord of the apartments where I live has raised the rent and has done nothing to fix my apartment. The kitchen floor is no good, there are leaks in the bathroom, the refrigerator, door, windows and plumbing don't work and there is no water pressure.

Hola mi nombre es Rosaura Virgen y vivo en Pomona CA en el condado de Los Ángeles, les escribo por qué el dueño de los apartamentos donde vivo me aumentado la renta, y no a echo nada por arreglarme el apartamento, el piso de mi cocina no sirve, hai goteras en el baño, el molino del fregador no sirve, la puerta, las ventanas y la tubería no sirve no ahí mucha presión de agua
