JUNE 7, 2021 REGULAR CITY COUNCIL MEETING
PUBLIC COMMENTS

PUBLIC PARTICIPATION

ANGELA BRUNSON – Dear Pomona Mayor Sandoval and City Council Members, These views are my own and do not represent any other organization. I am a resident of the San Gabriel Valley where I volunteer at Lorbeer Middle School. I received a Community Service Award from the Pomona Unified School District for my volunteer efforts in April 2019. I have been a Deputy District Attorney since 1997. Therefore, I believe my words and my actions demonstrate my dedication and concern for the public safety of our community. As such, I urge you to consider joining the seventeen other cities who have passed a vote of no confidence in District Attorney George Gascon. His directives are making our county unsafe. DA Gascon has prohibited charges from being filed for crimes including trespass, loitering for prostitution, and resisting arrest, among others. He has called crime victims “uneducated” and told them to shut up. He values criminals over victims and more importantly, he is sending a message to the criminals that crime can be committed without fear of any consequences or punishment. This makes our community unsafe for us and our children.

DARLENE JOHNSON – There was an ordinance meant to help restaurants dealing with occupancy restrictions due to the ongoing pandemic example, if a restaurant wants to utilize its parking lot for outdoor dining, it can do so.

“At a meeting in June 2021, the Pomona City Council unanimously approved a motion to allow food trucks to operate on private property, such as a restaurant parking lot or in front of a business, with the property owner’s permission”

1. Does this include the side walk Pomona 775 E. Foothill? Or the food truck on Towne above Arrow? I have been to these stands and no one is using social distancing protocol, and I have witnessed countless patrons using utensils without any handwashing precautions. Most customers are not wearing mask or it’s not being enforced. No handwashing in between money exchange.

2. I believe City said this would be a six month program that was to the end of 2020? Has this changed?

3. Who is responsible for regulating the truck?

4. There’s also “string lighting” is this safe?

Roaming sidewalk vendors may not operate in residential zones between the hours of 8:00 pm & 8:00 a.m. daily. I think trucks need to shut down the same time.

DEANNA HUPP – Dear Mayor and Members of the Pomona City Council:

I have been attending church in Pomona for over 50 years. Recently I was asked to help with landscaping improvements at my church. I was shocked to find so many needles and condoms hidden in the shrubbery. I was then informed that the custodians spend at least an hour per day cleaning the perimeter of the property due to the litter, feces, needles, and condoms left there by the homeless. I was then notified by a parishioner that she drives around the church when she is out at night and often calls the Pomona Police asking them to enforce our “No Trespassing” authorization. This is just not

acceptable. Church finances are tough, especially during this time of Covid. It is important that you give the Police Chief the support and resources he needs to keep the homeless population from continuing to damage the property of others. I would appreciate your prompt attention to this matter.

BETH BROOKS – Dear Mayor and Members of the Pomona City Council:

I would like to believe that the members of the Pomona City Council will do your due diligence in selecting residents to sit on the newly-formed Police Commission. This is a very important commission and it is imperative that individuals be selected carefully. This is not the time to pay back for political favors. I am aware that there are people who are reluctant to apply because they are not personally affiliated with someone on the Council. The residents of Pomona are counting on you do what is best for Pomona by putting your political aspirations aside and doing what is best for the city.

MARILYN RICHARDS – Dear Mayor and Members of the Pomona City Council:

I am disappointed that the Council decided to go ahead with the formation of a Police Commission. Your lack of support for the members of the Pomona Police Department is disheartening and unacceptable. It is time that more is expected from the residents of Pomona. Currently, there are no consequences for bad behavior. The Council does not seem to want to protect the law-abiding citizens. Pomona police officers do not control the behavior of people, the individuals do. If people do not want to be arrested, then they should not be breaking the law.

CHRIS FAULL – Dear Mayor and Members of the Pomona City Council:

I have not been in favor of the City creating a Police Commission, as I feel that our Chief and Command Staff are capable of taking care of issues that arise in the Department. I have been trying to find a logical reason why a resident who has been affected personally by someone who has been incarcerated should be in a position to oversee the Police Department. There should be punishment for bad behavior. Continuing to berate officers is not in the best interest of the residents of Pomona. If people would obey the law, we would not be having this conversation. It is obvious no one on a bicycle follows the rules I learned as a child. Have they changed? Pedestrians cross the street where convenient for them with no respect to the traffic. Red lights and stop signs are now mere suggestions for drivers. The members of the Pomona Police Department deserve and have earned our respect. It is time you acknowledge this.

DENNIS QUERIO – Dear Mayor and Members of the Pomona City Council:

I reside in District 6. I live off an alley and my neighbors and I face this alley and drive it on a daily basis. I have been trying to talk to Robert Torres about the condition of this alley, but he has failed to respond to the several messages I have left for him at City Hall. I find it interesting that Mr. Torres and his neighbors are enjoying a freshly paved street. Where do I go from here?

NORMA CALVIN – Dear Mayor and Members of the Pomona City Council:

I recently invested \$100 for a locking mailbox. I live on a cul-de-sac in west Pomona and all of us on the street have had our mailboxes tampered with or broken and our mail has been stolen. Instead of investing over \$150,000 for an unnecessary Police Commission,

this money should have been invested in hiring more police officers. It is obvious this is politics over protection, and our protection is more important to Pomona residents.
