**DISCUSSION:** Pomona Complete Streets Ordinance & Quick Build Update

**PRESENTER:** Max Pastore, Associate Planner

---

The purpose of this discussion is to provide the Planning Commission with an update on the Pomona Complete Streets Ordinance & Quick Build project. The goal of this effort is to amend the Pomona Municipal Code to incorporate new design standards for Pomona's streets that maximize public safety. This discussion will focus on updates related to: (1) pedestrian-focused street design improvements; (2) outreach feedback and next steps; (3) project schedule; and (4) draft code materials.
