Re: HSPV Records Stored in Special Collections.

Back in the 1990s the Historical Society stored 23 boxes of our records in Special Collections at the Pomona Library. At that time, we had no place to keep them ourselves, and you agreed to take them.

Today we would like to reclaim those boxes and add them to our archives at the Ébell Club. These boxes contain a variety of our old records from event flyers to board minutes and financial reports. Currently we are looking for records regarding the Palomares Cemetery and hope they will be in these boxes.

At our meeting on July 2nd, 2026, The Board of Directors voted unanimously in support of this action.

The Historical Society and Pomona Library have had a good working relationship since our founding back in 1916. Thank you for your assistance in this matter.

Sincerely

Michael Schowalter

President
